

CATHEDRAL HIGH SCHOOL FINANCE DRIVE OUTLINED BY BISHOP RITTER

All Catholics
Urged to Help
Fall Campaign

Parish Parties to Precede
Central Bazaar Set
for Oct. 30.

All Catholic parishes of the city have been asked to co-operate again this year in the annual fall drive to raise funds for Cathedral High School, the Most Rev. Joseph E. Ritter, bishop of the diocese, announced today.

Bishop Ritter said the manner in which the funds are to be raised has been changed. Instead of each parish sponsoring a bazaar in the high school auditorium, there is to be one central bazaar which is to be supported by money raised by each parish from a social or some like event. Each parish is to be responsible for its quota, Bishop Ritter said.

This year's plans, calling for the series of parish socials are to culminate in a bingo party to be held in the high school auditorium Oct. 30. Tickets for this entertainment are being issued now, the bishop said.

Events are Discussed

Early plans for the bingo party and for the individual parish efforts to raise funds were discussed at a recent meeting attended by clergy and laymen.

The Rev. Raymond R. Noll, Cathedral Parish rector, urged every layman in the city to support the program.

"The need for funds is great because of the amount of interest on the high school indebtedness," he said.

Debt Now \$336,000

The debt today stands at \$336,000, which represents the amount of the deficit on parish assessments which were made several years ago to cover the expense of the new \$1,000,000 high school.

Bazars held last year and the year before have done much to alleviate the pressure of the indebtedness, Bishop Ritter said.

In 1934, proceeds of the affair were put at \$20,000 and the following year a profit of \$15,000 was realized.

It is hoped that the new system, each parish sponsoring separate function, will result in an increase of funds this year.

Kindergarten for Catholics Outlined

Catholic kindergarten is to be opened at the St. Philip Neri School at the beginning of the regular school term this year, it was announced today.

The new kindergarten is to be directed by Miss Mary E. Butler, University graduate, who has had previous kindergarten work experience at St. Philip Neri School. She formerly was an instructor in the Iowa City Kindergarten.

A room in the St. Philip's grade school building is to be set aside for the kindergarten.

The attendance schedule is to follow that outlined for the regular grade schools, except that children are to attend only a half day.

According to present plans tuition is to be 75 cents a week, not including transportation. The school is to be opened to children of 4 or 5.
