

THREE TEAMS PRIME FOR CITY BASEBALL FINAL ROUND

Decide Local Sandlot Title in Two Frays

Cleaners and Tires Hook Up Tomorrow; Survivor Plays Marcos.

Three crack teams are to fight it out this week-end for the right to represent Indianapolis in the Cleveland national amateur baseball tournament.

The three squads still in the running are survivors of a round-robin elimination series which has progressed on city sandlots through the past few weeks.

The strong Marcos nine is held a slight favorite since the club needs to win only one game to clinch the championship, while either the Cleaners or U. S. Tire must score two victories to emerge on top.

A large crowd of local sandlot enthusiasts is expected at Perry Stadium tomorrow afternoon at 2 when the Cleaners and Tires meet in the final round of the city tournament.

The Cleaners triumphed in 12 of 14 league frays this season, while the Tire crew annexed 10 out of 15.

Both teams have been practicing diligently this week, as the loser will be eliminated from the tournament. The winner is to square off against the Marcos in the titular contest Sunday afternoon at Riverside No. 3 at 3 o'clock. Victor in this meeting goes to Cleveland for the national final beginning Sept. 12.

In city series preliminary rounds the Tires defeated the Marcos, the Cleaners downed the Marcos, and the Cleaners upset the Tires. It takes two defeats to eliminate a team.

Gatti, Hurt to Start

Manager Jensen of the U. S. Tires announced today that Gatti will twirl for his club tomorrow, with Mueller receiving. Wallie Hurt is to start on the Cleaners' mound, according to Manager Barnes, with Barnes doing the catching.

An exhibition tilt, scheduled to follow the city series game at Perry Stadium tomorrow, is reported stirring up high interest. Fort Harrison's Soldiers and the Roy Steele nine are to tangle in the second game of the program.

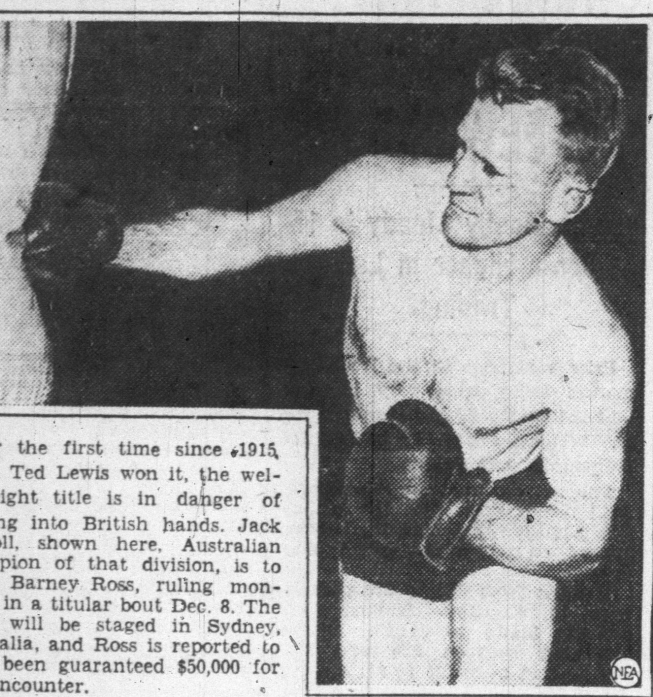

Ticket sales to date forecast one of the largest crowds of the season, President H. M. Tebay of the Amateur Baseball Association reports.

Let's Go Fishing

By JERRY SHERIDAN

Fishing wardens of Indiana try to be encouraging, but their most recent reports on stream and lake conditions are as disheartening as the weatherman's August forecasts. Anglers will have only fair luck over the week-end, according to latest observations. Most streams are low.

The few light showers have left many of the spots roily and muddy. Fishing conditions issued by the state department of conservation, according to counties, are as follows:

Porter—Pike Lake, Long, Loomis, Canada, Mink, Wagon, and Eliza Lakes are clear. Fish are biting fair, but it has been too hot for fishermen. Kankakee River is low, semi-clear and fast. Calumet River is clear and low. Salt Creek is clear.

Clark—Pike Lake, Silver Creek, Muddy Fork and Bull Creek are muddy. Fourteen Mile Creek is clear and low. Salt Creek is clear.

Howard—Grant—Widest Creek in Howard County very low and roiled. Mississippi River in Grant County is in good shape above Marion only.

Sullivan—Water is low and fishing is poor.

Noble—Lakes and streams below normal. Bass and bluegills are biting fair.

Bartholomew—Streams and rivers are very low.

Putnam—All streams are low and clear.

Hamilton—Madison—All streams low and clear.

White—Benton—Shafter Lake is clear. Salt Creek is clear.

Warren—Fountain—All streams are high and muddy.

Clinton—Boone—Streams are higher, but muddy. Should be clearing some by Sunday if it doesn't rain more.

Greene—Streams are in poor condition. No fish being caught.

Carroll—Streams are low and muddy. A few fish are being caught on Lake Freeman, but fishing as a whole is poor.

Hamilton—Tipton—All streams clear.

Putnam—In White River, Stoner Creek and Cleora Creek have poor fishing. Gravel pits are clear and fishing fair.

Swim Stage Set for City Water Meet

Events to Be Open to All Natators, Officials Announced.

Officials of the Red Cross and the Indiana Recreation Association are completing arrangements for the city swimming championships at the Garfield pool Saturday and Sunday. Qualifying trials are to be staged on Saturday, with championships being decided in all divisions on the following day.

It is to be open competition with all comers eligible to participate. Municipal parks and clubs are to compete for team laurels. Five swimming contests for each of the men's, women's, boys' and girls' divisions are on the program. High-board diving will be open to men only.

The Jack Shaffer Memorial trophy, now shared by Mrs. Helen Lee Robinson and Al Rust, is to be placed in the possession of the highest senior scorer until next year. Awards are to be made to the first five finishers of each event.

William Merrill has been named referee and Randall Willis is to be starter of the meet which is sanctioned by the A. A. U. Other officials are as follows:

George Burgess, inspector; Don Underwood and Mrs. G. Smith, clerks of course; Charles Glazer and Flora Kinder, scorers; James Clark, announcer; William Jordan, G. Smith, William Smiley, Capt. Everett, Bruce Pogue and Herbert Gris, judges of finish; Mrs. Ray Rungard, Mrs. Thelma Willis, Mrs. Helen Lee Robinson, and Mary Alice Shiveley, timers; Bud Sawin.

Better Team Due at I. U., Coach Claims

But Adds Crimson Eleven May Lose More Tilts Than Last Year.

Times Special

BLOOMINGTON, Ind., Aug. 22.—Speaking of contradictory statements, there's a football coach in this town who says he will have a better team this fall than he had last year, but declares this better team probably will not win as many games as did the '35 eleven.

The coach is no less than A. N. (Bo) McMillin, Indiana University's celebrated grid strategist, who is beginning his third season at the Crimson helm.

Coach McMillin explains his statement by pointing out that the Hoosiers' schedule this fall is due to be considerably tougher than that of last year.

All Big Ten foes who were on last year's card are slated for rematches, and in addition Cincinnati and Maryland are supplanted by Nebraska and Syracuse, two of the outstanding teams in the nation.

Trouble looms directly ahead, says Bo, when his scrappers start their season here Oct. 3 against clever little Centre, his alpha mater.

McMillin's chief worry as he prepares to call tryouts for active outdoor workouts is the replacing of four key regulars who graduated last June. Those lost are Reed Kelso, center; Wendell Walker, half back; Ettore Antonini, end; and Bob Keck, fifth man in McMillin's much-discussed "five man back field."

Adding a silver lining to these clouds, however, will be the return of 20 lettermen, including Capt. Chris Dal Sasso, Ted Livingston, Vernon Huffman and Corby Davis.

CHESTNUT HILL, Mass., Aug. 22.—Wilmer Allison of Austin, Tex., and John Van Ryn of Philadelphia, defending champions, and the young Davis Cup players, Don Budge and Gene Mako of California, were favorites today to win their semi-final matches in the men's national doubles tennis championship.

Allison and Van Ryn meet Robert Riggs and Wayne Sabin, Californians, in one match. In the other Budge and Mako oppose Frank Parker and Gregory Mangin of New Jersey, a team Don and Gene beat in the Newport Casino doubles final a week ago.

Carolyn Babcock of Los Angeles and Mrs. John Van Ryn oppose Mme. Sylvia Henrotin of France and Mrs. Dorothy Andrus of New York in the remaining match of the women's semi-finals.

Helen Jacobs of Berkeley, Cal., and Mrs. Sarah Paifrey Fayson of Boston, defending champions, reached the finals yesterday, defeating Kay Stammers of England and Alice Marble of San Francisco, 6-2, 21-19. The second set, longest on record in a major women's tournament, required 1 hour and 20 minutes.

CUDDY TO SUCCEED DAUER IN CANNELTON

Times Special

CANNELTON, Ind., Aug. 22.—Edward Cuddy, former Franklin College athlete, is to come here from Shawswick High School, near Bedford, this semester to become athletics director at the local high school, it was announced today.

Cuddy succeeds Vic Dauer, who has accepted a position as assistant football and basketball coach at Muncie High School.

THIS CURIOUS WORLD

WHEN MOUNT KATMAI, IN ALASKA, EXPLODED IN 1912, DUST IN THE AIR CUT DOWN THE SUN'S BRIGHTNESS TWENTY PER CENT FOR TWO MONTHS, OVER THE ENTIRE NORTHERN HEMISPHERE.

FISHES SLEEP, AND OFTEN TIMES THEY CAN BE HANDLED WITHOUT WAKING.

JET IS A VARIETY OF COAL!

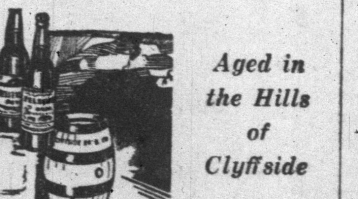

When Mount Katmai exploded, volcanic dust was thrown miles high, and carried 'round and round the world by winds. Even in North Africa, the dust made its appearance in two weeks' time. Cool, summers often follow in the wake of volcanic explosions, such as that of Katmai.
