

4-H CLUB GIRLS' SCHOOL BEGINS AT FAIRGROUND

163 Enrollees to Receive Training in Home Economics.

The Indiana State Fair 'Girls' School opened today at the Fairground with 163 girls representing 84 counties enrolled. All enrollees won trips to the school by achieving high awards in 4-H Club work. Although there are social affairs, sight-seeing trips and amusements provided for the girls, the purpose of the school is to provide training in home economics, staff members explained.

Each county in the state is entitled to two representatives to the school, which lasts for two weeks. The tuition fee is defrayed by an organization or institution or by interested individuals.

The girls are divided into six groups, with an honor girl at the head of each. These honor girls, who attended the school last year, were selected on the basis of attitude, scholarship and leadership. Mrs. Calvin Perdue, camp director, said.

Honor Girls Named

They are Edith Smith, Tipton County; Edith Martin, Fountain County; Mary Hoover, Newton County; Mary Richards, Posey County; Nellie Swank, Orange County; and Shirley Osmon, Daviess County.

The school has seven departments: Preparation and serving of meals, dish washing, laundry work, dormitory, recreation, handicraft and training in home nursing and first aid.

Through co-operation of state institutions of higher learning and interested individuals, the Indiana Board of Agriculture offers several scholarships to girls outstanding in the school.

In addition to Mrs. Perdue, the staff includes Miss Lela Gaden, Purdue University, adviser; Miss Eulalie Mulk, adviser in charge of the food department; Mrs. Don

Work on the new \$1,522,451 north wing on the Federal Building is to start soon, according to word received here today. Great Lakes Construction Co. of Chicago is to do the work.

The original contractor, Henry Dattmer of Detroit, failed to supply a satisfactory bond and lost the contract, causing a delay of several weeks in the starting of work. Indiana limestone is to be used in the addition, which is to be erected on the New York-st side of the building, shown above.

TROTSKY FLAYS STALIN REGIME

People Robbed of Fruits of Revolution, Charges Deposed Leader.

(Copyright, 1936, by United Press)

OSLO, Norway, Aug. 28. — Josef Stalin, Soviet Russia's "iron man," has robbed the Russian people of the fruits of the 1917 revolution and is subjecting them to a "privileged caste," Leon Trotsky charged today.

As a result, Trotsky predicted that the Soviet Union ultimately must endure another revolution to secure the freedom of the working classes. An exile here, under oath to take no part in politics, Trotsky was interviewed by telephone.

Trotsky, recently accused by the Stalin group of plotting with 16 men to overthrow the present regime and kill its leaders, was bitter in his denunciation. He has denied all part in the alleged "plot" for which the 16 were executed.

The bearded exile summed up the situation in Moscow thus: "Stalin, the bureaucrat, has killed the Bolshevik Party, thus robbing the people of the fruits of the October Revolution."

INSULL JR.'S BRIDE

A Chicago department store buyer, Margaret Shearin Baynes, 30, is the bride of Samuel Insull Jr., ex-utility magnate, the couple having left on their honeymoon trip after a quiet ceremony in their home city. Insull's first wife died in 1934, leaving one son, Samuel Insull III.

ANTI-SALOON LEAGUE OUTLINES NEW DRIVE

By United Press

WINONA LAKE, Aug. 28. — A drive to get 10,000 signers of total abstinence pledges with a new educational program was announced yesterday as Anti-Saloon League state superintendents and national officers closed their two-day conference here.

Increased dissatisfaction with present liquor systems was reported by league superintendents from Indiana, Louisiana, Minnesota, Virginia, Tennessee, Kentucky and California.

L. E. York, Indiana superintendent, declared: "Indiana is tired of having political bosses in every county representing liquor interests."

If you feel...

-tired
-run-down
-nervous
-out of sorts

THERE is usually a definite reason for such complaints...so, now let's reason sensibly.

Don't try to get well in a day...this is asking too much of Nature. Remember, she has certain natural processes that just cannot be hurried.

Therefore, if you are pale, tired, lack a keen appetite, have lost weight and feel run-down...a frequent sign that your blood-cells are weak, with a tendency towards anemia—then do try in the simple, easy way so many millions approve—by starting a course of S.S. Blood Tonic to feel like your self again.
