

OWNER OF CAR ATTACKED BY CRASH DRIVER

Assailant Cuts Victim, Then
Flees, Abandoning
Automobile.

Marvin Allen, 37, of 642 N. Blackford-st., was treated at City Hospital today for injuries received when a man, whose automobile collided with Allen's parked car, cut him on the left hand and over the left eye.

Police later arrested William Bills, 39, of 527 Agnes-st., on vagrancy charges in connection with the accident and ordered him held until trial.

Mr. Allen told police he went in front of his home to investigate the accident and found a man standing by a large sedan, the bumpers of which were caught with those of his automobile. When he tried to help release the cars, the man cut him and fled, Allen said.

Did Not Remember

Bill, who police said was driving the sedan described by Allen, was reported to have told officers he did not remember where he left the automobile.

Four persons were injured when automobiles collided at Post-nd. and U. S. 52 last night.

The victims were Sam Lancaster, 53, Batesville; John Patterson, 32, Cincinnati; George Tenney, 70, of 430 Massachusetts-av., and Miss Marie Eisenhour, 5039 Chelsea-av.

A truck driven by Russell Edwards, 13, of 1219 Central-av., careened onto the sidewalk and knocked down three pedestrians after being hit by a taxicab driven by George Huggin, 33, of 3645 Northern-av., at 10th and Illinois-sts.

The injured were Marie Sowers, 41, of 1036 N. Illinois-st.; Dave Sowers, same address, and Frank Mutz, 68, of 1036 N. Illinois-st.

Arrested After Crash

William Neal, 28, of 1283½ W. Ray-st., was arrested on charges of failing to stop after an accident last night when his automobile collided with another driven by Charles Dichman, 19, of 609 Cottage-av., at Washington-nd. and Senate-av.

Dichman told police he chased Neal for several blocks after the accident and caught him in the 400 block on W. Market-st.

Frank Alexander, 39, of 1735 Broadview Terrace, suffered severe bruises on the head, and shoulders last night when he was struck by a hit-and-run driver at 11th and West-sts. He was treated at City Hospital.

George Scott, 44, of 19 N. Parkview, was held on charges of drunkenness, failure to stop after an accident, and operating a motor vehicle while intoxicated after his car collided with an automobile driven by Ralph Cowden, 23, of 1723 Draper-st., at Morris and Madison-sts.

NEW DEAL IS SCORED ON JOBLESS PROBLEM

Charles R. Rogers, Socialist Party state chairman, declared last night that if the New Deal policies are continued, Americans "will face a peculiar situation of having prosperity accompanied by unabated unemployment."

He spoke at a Socialist forum in the Allied Workers of Indiana Hall, 29 S. Delaware-st.

"Despite the growth of business," he said, "unemployment is at the same high level as it was in 1934, which, in Indiana, means that one of every seven persons is on relief."

Science Allied With Police in War on Crime; Radio Summons Members to Instant Action

Most Modern Equipment Is
Given Those Who Man
'Nerve Center.'

By PHILLIPS PECK

Modern industry and science play important roles in the Police Department's incessant fight against crime.

Radio has come to be the most effective weapon of all law enforcement agencies, and in the local department it is "the power behind the throne" in the business of apprehending criminals.

Attendance for elementary Catholic schools during 1936-37 is expected to reach 8500, or an increase of 1.3 per cent over last year, he said.

St. Agnes Academy, St. Mary's Academy and St. John's Academy also are to open Sept. 8. The registration date for St. Agnes Academy is Sept. 2, and for St. John's Academy Sept. 4. Ladywood School is open Sept. 15, and registrations are to be accepted any time before the first class sessions.

Teachers who are in charge of Indianapolis Catholic schools this year belong to the order of the Sisters of Providence, the Sisters of St. Francis of Oldenburg, the Sisters of St. Benedict of Ferdinand and the Sisters of St. Joseph of Coronado.
