

CAPITAL RUMOR LINKS GOVERNOR TO POST AT I. U.

Observers Predict McNutt Will Bar Politics Until 1940 Campaign.

BY DANIEL M. KIDNEY
Times Staff Writer

WASHINGTON, Sept. 10.—Gov. McNutt will not become Secretary of War, according to latest advice here.

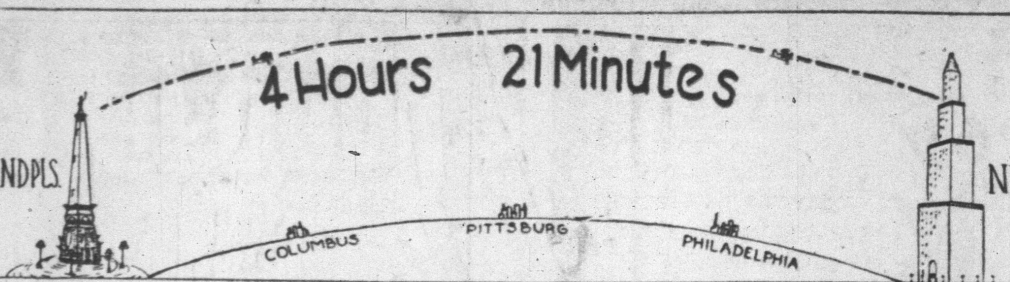

It is reported that he would not accept the post, made vacant by the death of Secretary George H. Dern, even were it offered to him by President Roosevelt.

Instead he likely will accept the presidency of his Alma Mater, Indiana University, upon his retirement from the governorship, it is said. Should such a plan be carried out, I. U. President William Lowe Bryan would be retired as president emeritus.

NEW PLANE SCHEDULE BRINGS INDIANAPOLIS, GOTHAM NEARER

Indianapolis is to see the inauguration of the fastest Indianapolis to New York airplane passenger service in its history next Tuesday when Transcontinental and Western Air, Inc., is to establish a 4-hour-and-21-minute service to that city. Under this new schedule a plane is to depart

daily at 11:38 a. m. and is to arrive 4 hours and 21 minutes later in New York. The new mid-day service brings Indianapolis 45 minutes closer to New York. The change is to result in a reduction of scheduled time across the United States by as much as 1 hour and 15 minutes.

Thomas particularly criticized such action during the general strike last year at Terre Haute. But another reason given for the Governor not wanting a Cabinet post at this time is that he feels that he may be in a better position to procure the Democratic nomination for the Presidency in 1940 if not too closely identified with the New Deal.
