

NOTRE DAME AND INDIANA EVENS SWING INTO ACTION

Irish to Lift Curtain With Carnegie Tech; Hoosiers and Centre Mix at Bloomington

Layden Sends New Machine Against Invaders at South Bend.

McMillin's Warriors Face His Alma Mater in Grid Opener.

Times Special
SOUTH BEND, Ind., Oct. 3.—The Tartans of Carnegie Tech and the Fighting Irish of Notre Dame were to meet on the gridiron of Notre Dame Stadium here this afternoon in the fourteenth renewal of the colorful football rivalry between the schools.

Interest of thousands of fans who were expected to jam through the turnstiles for the encounter, one of the outstanding intersectional conflicts on tap today, was intensified by the fact that the game was the opening 1936 engagement for both elevens.

The Irish, under the guidance of Coach Elmer Layden, presented almost an entirely new front with Capt. John Lantz, left guard, the only member of last year's first team to appear in the starting lineup.

Carnegie Tech represented an enigma to most followers of the grid game with advance reports indicating that the Tartans, traditionally a strong defensive outfit, would greet the Irish with a marked increase in offensive power.

The return of Judge Walter Steffen to the helm of Tech grid activities was believed to have resulted in improvement in the Tartans' scoring punch. Steffen's 1926 and 1928 teams scored victories over Notre Dame.

Eight of last year's regulars were expected to start in the Carnegie lineup with a good crop of sophomore material and veteran reserves of last year available for the other positions.

Wrestler Burns New on Program

Jerry Burns, 235, a newcomer who hails from Texas, has been added to the all-star all-heavy weight wrestling card of the Hercules A. C. for next Tuesday night at the Armory. Signing of Burns completes the program.

Main Go
George (Cry Baby) Zaharias, 240, Pueblo, Colo., vs. Orville Brown, 222, Wichita, Kas. Two falls out of three. Ninety minutes.

Semi-Windup
Rudy Laditz, 235, Poughkeepsie, N. Y., vs. Big Boy Davis, 239, Columbus, O. One fall. Thirty minutes.

Opener
Dick Lever, 240, Nashville, Tenn., vs. Jerry Burns, 235, Dallas, Tex. One fall. Thirty minutes.
The top tussle is a match that Orville Brown, the "Indian death-lock" hold heavy, has been seeking for several years. He lost a decision verdict to Zaharias a month ago.

Orville cracked down on Chris Zaharias, younger brother of George, last Tuesday night. George and Orville, both nationally known grapplers, are long standing rivals.

COURT SEASON ENDS WITH DINNER EVENT

NEW YORK, Oct. 3.—Ernie Dusek, Omaha, defeated Hank Barber, Cambridge, Mass., in the main event of a wrestling show here last night.

Final Major League Averages

American League

Luke Appling became the first White Sox player in the history of the American League to cop the individual batting championship. The much-coveted gong was attained after a struggle first with one of his teammates, Rip Radcliff, who dropped out when the season was well past the half-way mark, and next with Earl Averill of Cleveland, who battled to the last week.

Appling's mark of .388, made from 204 hits in 526 times at bat, topped Averill by 10 points.

Averill made most hits, 232, the second time he has made over 200 hits in the majors, and went to bat 614 times to attain the highest batting mark in his career.

Two teams batted 300 in the junior circuit, Cleveland leading them all with 304 and the Yankees next with an even 300.

Frankie Hayes of New York took the league pitchers with the high percentage of .778. Hadley won 14 while losing four. Bridges of Detroit won most games, 23.

The final American League averages for 1936 follow:
