

**SPEECHES SPUR  
DEMOCRATS TO  
FINAL EFFORTS**

Closing Work of Campaign  
Outlined for State  
Party Workers.

State Democratic leaders today exhorted party workers to place Indiana in the Democratic column on election day.

"Prove definitely to the nation that Indiana is a Democratic state," urged Gov. McNutt.

Yesterday at a state committee meeting in the Indianapolis Athletic Club, the Governor reiterated his request for a tightening of buttons to combat the Republican attack on President Roosevelt and the state ticket.

Senators Frederick VanNus and Sherman Minton declared themselves "100 per cent for Roosevelt and the state ticket," and M. Clifford Townsend, gubernatorial nominee, urged county and district officers to get out the vote on election day.

Other speakers at yesterday's meeting included Omer S. Jackson, state chairman; Democratic Mayors and candidates.

Following the meeting Democratic candidates and district and county workers met in an executive session to check poll and make final campaign plans.

**McNutt Charges 'Frameup'**  
in Radio Talk

Gov. McNutt declared in a radio address last night that the mailing of letters to employees by employers explaining the unemployment insurance act is "part of a gigantic frameup on the people."

He said the letters contain "half-truths and untruths."

"A real inside-out and mallowous program is being carried on despite the general acceptance of the new legislation as being the most forward-looking in the history of the state in protecting the laborer against the hazards of unemployment and the certainty of old age," he said.

**Republican Urges End  
of 'Dictatorship'**

The "end of one-man dictatorial government in Indiana" was declared necessary in a radio address last night over WIRE by Joseph E. Hartman, G. O. P. nominee for State Senator. This can be achieved only through a Republican victory Nov. 3, he said.

He declared that he favors repeal of the state reorganization act and the gross income tax law. Tax reductions and elimination of wastes in government also were urged.

**Elliott to Address  
Republican Meeting**

Homer Elliott, Twelfth District G. O. P. nominee for Congress, is to speak at a Republican meeting to be held tomorrow at the home of Mr. and Mrs. Delbert O. Wilmett, 4337 N. Pennsylvania-st.

Other speakers are William Henry Harrison, county nominee for prosecutor; Wayne M. Armstrong and Mrs. Louise B. Fletcher, State Representative candidates, and Mrs. Daisy Douglass Barr.

**James Delaney Booked  
for Three Addresses**

Patrick J. Delaney, Minnesota congressman, is scheduled for three speeches this week in Indiana. It was reported to the Journal-Press by a man, Democratic state committee speakers' bureau head. He is to speak at Huntington, Thursday night; Bedford, Friday night, and Winchester, Saturday night.

**Mount Jackson Club  
to Hear Candidates**

County candidates are to speak tonight at a meeting of the Mount Jackson Democratic Club in the Mount Jackson Sanitarium, 3127 W. Washington-st. Roscoe Bredell is the meeting's chairman.

**FUN WORKERS TO MEET**  
The Indianapolis Community Fund Employees' Fellowship is to meet tonight at the Hotel Lincoln to complete arrangements for voluntary solicitation during the campaign opening Nov. 6.

Speakers are to be Mayor John W. Kern and Dr. John C. Benson, Methodist Hospital superintendent.
