

NEW REGISTRAR AT I. U. MEDICAL SCHOOL NAMED

Mark P. Helm Appointed by Trustees to Succeed Mrs. Bertha Clark.

Appointment of Mark P. Helm as registrar at the Indiana University School of Medicine here was announced today following a meeting of University trustees in Bloomington. He succeeds Mrs. Bertha Clark, who has resigned after 10 years as clerk in the registrar's office and later as registrar.

Miss Mary O'Connor was appointed secretary to W. D. Gatch of the Medical School. She has been a member of the medical center staff for the last six years as medical stenographer in the records department. Miss Dorothea Collins, chief clerk in the business office at the Y. M. C. A., takes the position of clerk in the registrar's office. Miss O'Connor is a graduate of St. John's Academy and Miss Collins is a graduate of Ball State Teacher's College.

Mr. Helm is an I. U. graduate of the class of 1894. A native of Muncie, he was connected for five years with the Ball Brothers glass manufacturing company at Muncie and Marion and in Pueblo, Colo. He also has taught in grade and high schools and has served as schools superintendent.

Former School Teacher

He formerly was managing editor and part owner of the Educator-Journal, a magazine for teachers, a post which he left in 1924 to accept a position with the Indiana University business offices at Bloomington.

The new registrar has been connected with the medical center here for a number of years. Prior to his appointment as registrar he held the position of supervisor of student work. Mr. Helm is a member and former officer of the Indiana University Club of Indianapolis.

He is an "I" man and was one of a group honored at the homecoming banquet in Bloomington last fall for his services to Indiana athletics. He is a prominent alumnus of the Phi Kappa Psi Fraternity.
