

# BELL APPRAISAL ORDERED HERE BY COMMISSION

Action Follows Petition Asking Rate Slash Filed In 1934.

An inventory and appraisal of Indiana Bell Telephone property here had been ordered today by Public Service Commissioner Samuel L. Trabue as the first step toward a proposed rate reduction.

The order followed the filing of a petition by Leo Fesler, Marion County Mail president, who asked an order demanding the company show cause why rates should not be reduced immediately pending a full property appraisal.

Twenty-eight individuals and business concerns signed the petition, filed with the Commission July 25, 1934. Action has been delayed by appraisal of Indianapolis Light & Power Co. property in another rate case.

Charge Rates Exorbitant

Petitioners allege rates are "exorbitant, unreasonable and unjustly discriminatory." No commission action has been taken on the petition for immediate rate reduction pending appraisal.

The Commission docket includes petitions for telephone rate reductions in South Bend, Indianapolis, Auburn, Huntington, Martinsville, Mishawaka, Anderson, Selma, Albany and Marion and St. Joseph County.

A reduced schedule for hand set payments recently was filed by the utility. The 15-cent payments end in two instead of five years under the new rate.

OSSINING, N. Y., Jan. 8.—Shouting they were innocent, two men died in the electric chair last night for the hold-up slaying of a subway collector, while their four companions rejoiced in a last-minute commutation of sentence to life imprisonment.

"This is where injustice triumphs," said Theodore Dionne, 31, as guards strapped him in the chair at 11 p. m. Joseph (Tough Tony) Bologna, 24, turned to the 35 witnesses and shouted: "The newspapermen have made a fine mess of things, calling me 'Tough Tony.' I have always been a good kid."
