PERRY SAVES PRO TENNIS GAME

NEW TALENT ALWAYS IN DEMAND

PROFESSIONAL tennis uses a different pay-off system than other branches of sports such as baseball, boxing, league football and hockey. . . . In the average pro game a newcomer must prove his skill and box office value before he is placed in the top bracket of earnings. . . . In tennis, however, the freshmen are given the bulk of the profits and the veterans take the short end. . . . Pro racquet fans demand fresh talent right out of the amateur ranks and in some cities will meet any price to see a star who just has jumped over to the paid troupe. . . . And Fred Perry comes as another savior to the barnstormers. . . . It is said the Britisher receives 37 1/2 per cent of the various "gates" on the current tour, with Ellsworth Vines, the veteran, coming in for only 12 1/2 per cent.

VINES has had his day as the star and the 1937 tour would be more or less flat without the presence of Perry and the publicity that precedes his appearances. . . . Bill Tilden used to pack 'em in the same as the English marvel is doing today, but Large William is playing second fiddle now. . . . Vines, Tilden and others cleaned up long before Perry arrived to stimulate a waning interest. . . . And in a couple of years perhaps there will be someone else to take Fred's place.

HIALEAH's race meeting will crash the picture at a time when the Florida tourist season is in its full bloom. . . . The opening is scheduled next Wednesday and follows a successful stand at Tropical Park. . . . Many of the star campaigners which have been held out of action are to go to the post at fashionable Hialeah, and Santa Anita track in California must yield a share of the limelight to the Sunshine State once more. . . . The first of the "baby" races of 1937 in Florida are to be staged and these always are especially interesting and intriguing to spectators and regular race followers who back their opinion at the betting windows. . . . The "babies" reached the 2-year-old racing age on Jan. 1 and have been going to "school" at Hialeah under the watchful eyes of trainers and jockeys.

It is said the "enraged" alumni of Iowa University who were all set to give the old leave-ho to Coach Ossie Solem cooled off when they learned he had another job picked out and sewed up at Syracuse. . . . And at a reported salary of \$11,500.

AS a reward for capturing the pennant last season, the New York Giants sent out their 1937 contracts without a single player being asked to take a cut in salary. . . . It is believed that Carl Hubbell, screw ball ace, has been handsomely rewarded with a \$20,000 contract. . . . Others who are believed to have received increases are Dick Bartel, shortstop; Gus Mancuso, catcher; Burgess Whitehead, second baseman; Jimmy Rippel, outfielder; and Frank Gabler, pitcher. . . . Manager Bill Terry has two more seasons to go on a five-year agreement he signed after the Giants won the flag in 1933.

This corner's selections on tonight's Big Ten basketball games: Purdue over Michigan, Indiana over Chicago, Northwestern over Iowa, Illinois over Wisconsin. . . . Monday: Purdue over Iowa, Indiana over Illinois, Minnesota over Chicago, Ohio State over Wisconsin, Northwestern over Michigan.

Record Scores Posted In Beam Tenpin League

By BERNARD HARMON

The Bowles Seal Fast and Packard Motors teams today held city season bowling records, the marks being established in the second half of a double-ended session of the Beam Recreation League at the Pennsylvania Alleys last night.

The Seal Fast team posted a 3269 that topped the former three-game series mark of the Barbasols by nine pins, while the Motor quintet tossed a 1220 that was the best single game effort of the season. Two individuals posted 700s during the evening. Don Johnson, turning in his third of the season, a 741, in the first series, while Ed Striebeck tossed a 722 in the final series.

Johnson

It was Striebeck's fourth entrance into the select class and gives him an edge over other pastimes of the city for the season. Johnson used games of 236, 256 and 249 for his big series, and when three of his mates passed the 600 mark, the Barbasols assembled a 2321 to take team honors of the opening session. The team's games of 1031, 1094 and 1106 gained it the big series and a triple victory over the opposing Bader Coffees. Lee Carmin had a 649, John Fehr 636 and Jess Pritchett 633.

Hi-Brother Total 3158
Falls City also produced a quartet of 600 shooters, knocking up a 3158 from games of 1028, 1098 and 1032, that were good for a double win over Lieber Beer. Carl Hardin paced the Brus with 594, Charley Gray had 611, Ed Fehr 630 and Red Mounts, 601. Bob Wuensch had 677 and Fred Schleimer 627 for the losers, who nabbed the final game through a 1062.

Other matches were decided over the two-to-one route, Packards with Markey at 674 won over Marott Shoes, whose top scorers were Oscar Behrens with 619 and Harry Wheeler with 605. Jack Hymt 667 gained L. S. Ayres & Co. the edge over Marmon-Herrington, which had Arch Heiss' 633 as its top series. Sterling Beer, despite Eddie Hornberger's 659, dropped two games to Coca-Cola and the Seal Fast, with Lou Daugherty at 614 were victors over Hiller Office Supply. Art Ley gave the Cokes a 625.

New Records Posted
The Seal Fast's new record was made possible through games of 1122, 1008 and 1139, that gave them an easy shutout victory over Marott Shoes. Striebeck's 722 from 244, 238 and 240, featured the solo performances, which included Fennie Snyder's 673, Dan Abbott's 643, Daugherty's 620 and Larry Fox's 611 for the Bowles and Wheeler's 603, Behrens' 602 and Ed Stevens' 601 for the Shoemen.

In the Packard's record game, Heckman had 265, Dad Hanna 244, John Blue 242, Leo Ahearn 235 and Chuck Markey 234. They flanked their 1220 with games of 981 and 955 for a 3156 good for a triple win over Marmon-Herrington. Blue totaled 688, Hanna 646, Heckman 642 and Markey 621.

Johnnie Murphy with 632 and Johnson with 614 were the winners' top solists, while Cray's 698, Ray Roberson's 651 and Fulton and Hardin's 608s were the Brus honor counts. Cray's game finish gave him an average of 223 for the evening.

In other matches of the nightcap session, Bader Coffee, with John Bader at 649, won twice over L. S. Ayres; Sterling Beer took two games from Hiller, Bert Brudek setting the pace with a 619 and Coca-Cola gained an odd-game decision over Lieber's, Larson totaling 619 for the winners and Percy Henry 662 for the losers.

Scoring in other loops failed to reach its usual heights, Gus Loedel of the Coca-Cola team being the lone pastime to pass the 650 mark. A 244, 236 finish, while performing with the Stewart-Carey Glass Co., gave him a 651, and proved a big help to his team in its triple victory. Pierce and Williamson with 622 and 622 were the only other 600 shooters of the session, held at Pritchett's Alleys.

Washington League in Action
Six Washington League pastimes passed the 600 mark in the loop's matches at the Illinois Alleys, Carl Brehob setting the pace with a 739, Virgil Kehl had 620, Bill Hohl 618, Fred Meyer 615, Frank Black 613, and Art Goodhue 613. A 1013 finish gave Illinois Service Shop a 2953 and a triple win over McCarthy Furniture.

Connecticut General, through a sweep over Insurance Exchange tied New Amsterdam for the leadership of the Insurance League in last night's clashes at the Pennsylvania Alleys. The Amsterdams dropped the game to the H. J. Spier's. Bob Blessing was the top soloist of the session, a 245 final game giving him a 621 and the honors.

The 16 teams of the Big Four Railroad League produced but one honor shooter in its Fountain Square League session. Gib Smith tossed a 618 to top all rivals. Half of the team clashes resulted in shutout victories. Timekeepers, Locomotive Tin Shop, Wheel Shop and Fash Shop blanking opponents.

Two-Way Battle Waged
A two-way battle for honors of the Dr. Joseph E. Kernel Optical Ladies' League was waged between Race Johns and Dorothea Pyle, the former gaining a six-pin edge through a 587. Other high totals were turned in by Amy McDaniel and Marie McVain, who had 553 and 551. Mrs. Johns' big series proved helpful to Sunshine Cleaners, who took team honors on a 2646.

Fred Appell's 595 won him scoring honors of the Insurance Association game at the Pritchett Alleys, while Tom Quinn's 571 was good for honors in the Cathedral League at the Antlers.

LOGANSPORT TO PLAY AT TECH TONIGHT

Shortridge, Franklin in Other Game

Cathedral, Broad Ripple, Washington Wingers in Last Night's Tilt.

Tech and Shortridge, smarting from defeats last night, are to play on their home floors tonight against Logansport and Franklin, respectively.

Washington, fresh from a victory over Alexandria, is to play at home against a Greenfield five that was trounced by Greensburg, 46-22, last night.

Manual, whose losing streak continued last night at the hands of Cathedral, 38-14, will attempt to break the jinx tonight at Southport and the Irish are to play at Danville.

Broad Ripple Away
Broad Ripple goes to Brownsburg, bolstered by its second victory of the season when it edged out Elwood, 35-31. Crispus Attucks, also in the losing column last night at the hands of Argos, 22-16, journeys to Eminence tonight.

In the Broad Ripple-Elwood tilt at the Shortridge gym, the Elwood five pulled up to lead 16-15 at the intermission after the Rockets had led all during the earlier part of the game. The Ripple quintet came back in the third period to regain its advantage, 25-21. Elwood rallied again to tie the score at 28-all. From then to the finish the teams ran wild with Broad Ripple, led by Duncan and Reese, winning in the final seconds.

Cathedral Wins
Scoring almost at will, Cathedral crushed Manual at the Irish gym last night, 38-14. Bob Fitzgerald led a drive in the first half to give Cathedral a 17-5 advantage.

Manual's inability to hit long shots proved costly as Joe Gillispie, pivot man, took the ball off the board numerous times to start drives that ended in Irish scores. Numerous substitutions held down the scoring in the third period. Manual faced a 17-point handicap going into the final stanza, and failed to overcome the wide margin.

Continental's Win at Alexandria

ALEXANDRIA, Ind., Jan. 9.—Washington of Indianapolis overcame an early 4-1 lead in the local high school team here last night to lead the way to victory, 24-18.

The home five battled on even terms with the Continentals during the last half, but could not overcome the 13-4 advantage held by the visitors at the intermission.

Martinsville Downs Shortridge, 28-23

MARTINSVILLE, Ind., Jan. 9.—The Artisans held a 26-12 triumph today over Shortridge as a result of better ability to hit long range shots in the defensive last half of the tilt here last night.

The Blue Devils were limited to a single field goal in the final half at Martinsville after the Indianapolis quintet held a 17-14 advantage at the intermission.

The defeat was the second one in succession suffered by the Blue Devils after winning their first six games this season.

Tech Overcome by Rushville, 28-23

RUSHVILLE, Ind., Jan. 9.—Rushville subdued a rally by Tech in Indianapolis to win, 28-23, last night.

The Tech quintet, playing without the services of three regulars, grabbed a 6-4 lead at the initial quarter. The Lions pulled out in front, 14-8, at the half and were never headed after that although the visitors pulled up to within four points of them during the last quarter rally.

Boycott Seen Helping Louis
NEW YORK, Jan. 9.—Decision of the Non-Sectarian Anti-Nazi League to boycott the scheduled tilt fight between heavyweight champion Jimmy Braddock and Max Schmeling of Germany was interpreted today as clearing the way for Braddock to fight Joe Louis of Detroit.

James Gould, manager of Braddock, agreed to a non-title bout with Louis in Atlantic City in February, but the New York Boxing Commission ruled it out after Schmeling made a special trip from Germany "to look out for his rights."

The Anti-Nazi League, through its director of publicity Mortimer Zerweck, announced yesterday that Schmeling was a Nazi commodity and that as such the league would prosecute a vigorous boycott campaign against him.

"I won't put Jim in the ring with Schmeling if this boycott goes through," he said. "We'll take Louis instead. We have a contract but I am sure that after the boxing commission learns of the action, it will be ruled invalid."

Frankfort to Protest Loss To Lafayette

Last Second Field Goal Breaks Winning Streak of Hot Dog Team.

LAFAYETTE, Ind., Jan. 9.—Lafayette's 17 to 16 victory over Frankfort last night, snapping the Hot Dogs' long winning streak, is being protested by Coach Everett Case, it was reported today.

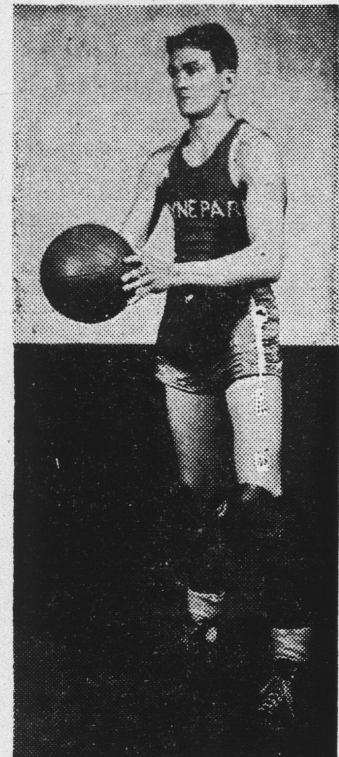

Lafayette's winning field goal was tossed through the hoop by McDowell, forward, in the last second of play. It was said Winston Ashley, umpire, was of the opinion that the deciding goal left the player's hand after the gun went off, while Glenn Adams, referee, was reported as ruling the two points were legal.

It was said the game is to be carried before Arthur L. Trester, state high school athletic commissioner, for a ruling.

Lafayette took an early lead last night, and held a 11-5 margin at the half period, but the visitors passed them at 14-13 and held a 16-15 edge until McDowell tossed the disputed field goal.

Frankfort has not lost through 38 games without a defeat, the only mark against the Hot Dogs being a tie game with Tech of Indianapolis last season.

Crack Guard

Roy Waltz, former All-State guard on the Martinsville High School team, is to see action tomorrow afternoon with the Wayne Park Garage quintet when it meets the Eastman Cleaners at 3:30 o'clock in the Dearborn gym.

Giants Form Akron Team

U. S. Tires to Face Lineup Averaging 6 Feet 5.

Five of the tallest men ever to parade before local basketball fans are scheduled to compose the starting lineup of the Akron Firestones, who meet the local U. S. Tires in tomorrow's pro game at the Penny gym.

With Milas Shoun, Ed Garner, Jack Shaffer, Howard Cable and Wes Bennett listed as starters, the visitors will present a team that averages 6 feet 5 inches. The Tiresmen, however, after a week of drilling, are confident that they can halt the "giants," and expected to start Roscoe Batts and Harlan Wilson at forwards, Bill Schrader at center and Bill Sadler and Sally Sudduth at guard positions.

Batts and Wilson starred in last Sunday's Tires victory over the Jasper Coca-Colas, when they scored 33 points, and Coach Lefty Evans is counting on the pair to match the point-making of the Ohio scoring aces, Garner and Bennett. The latter, during his three years of campaigning with Westminster College, registered more than 1000 points and is said to be carrying on his accurate sniping as a pro.

The Tiresmen, following the matinee tilt, will embark for Cincinnati to clash with the Redlegs in an evening engagement. The Queen City aggregation is rated one of the best in the Middle West.

William H. Block Co. and Kingan Reliabilities are to clash in a preliminary to the local affair.

Texas, Japanese Matmen To Meet

Jack League, 216, former prize fighter who turned grappler several years ago, has been chosen to face Shunichi (Killer) Shikuma, 205, Japanese husky, on the Armory wrestling card next Tuesday night.

League has tossed several well known huskies here and elsewhere and is rated as an aggressive matman around Dallas, Tex., his home town. Shikuma, making his first Indianapolis appearance, features the ju-jitsu style of offense and defense. He is 6 feet tall and is said to be one of the biggest Japanese grapplers to invade this country in several years.

Am Rascher, 222, who has changed to the "give and take" style of grappling, faces a tough test in the main go when he meets Big Boy Davis, 239. George (Battleship) Hagen, 216, opposes Sol Slagle, 260, in the other supporting tussle.

Shapiro Beaten In Cue Tourney

Cleve Kepner, in an upset match, defeated Larry Shapiro, defending champion, 30 to 20 in 80 innings in a state three-cushion billiard tourney match at Harry Cooper's parlor last night. Shapiro had a high run of six, but was unable to overcome Kepner.

Joe Murphy defeated Al Roche, 50 to 31, in 82 innings and scored a high run of six in an afternoon match. Roche led at one stage of the match, 21 to 20, but was overtaken by Murphy.

APPS GOOD ATHLETE

TORONTO, Jan. 9.—(NEA)—Sylvanus Apps, first-year center of the Toronto Maple Leafs' National Hockey League team, has more than one claim to fame. In addition to being a puck star, the youngster is an all-around athlete, excelling at handball and football.
