Drunken driving	3
Reckless driving	3
Improper parking	6
Others	4

A 12-year-old boy, injured while skating in the street, was the only traffic victim reported to police overnight. Thirty-three motorists were arrested on traffic violation charges.

Vern Williams, a pupil at School 51, received chest lacerations last night when he skated into the side of an automobile near his home, 2337 Parker Ave.

Police said the boy struck the car's door handle. He was taken to City Hospital. Mrs. Irene Love, 47, of 2222 Parker Ave., the car driver, was held blameless by police.

Two motorists were sentenced to 30 days in jail after their conviction on drunken driving charges by Judge Charles Karabell in Municipal Court. They are Bradley Gorton, 22, of 228 W. 145th St., and Howard Wade, 145 S. Hawthorne Lane. Fines were imposed on each. Licenses of 21 drivers were revoked during the first three months of this year by the Motor Vehicle Bureau, Robert Hill, Chief Hearing Judge, said today.

He said the action was the result of the state-wide highway and traffic safety campaign, which also caused 54 other drivers to lose licenses for recklessness and speeding.

## BETTER STREET PLANS STUDIED

Means to Improve East St.  
Are Considered by  
Works Board.

Ways and means to bring about the improvement of East St. from South St. to Garfield Park are being considered by the Works and Sanitation Board.

Because of the heavy truck and trackless trolley traffic on the street, Works Board members consider its widening and resurfacing urgent.

No specific plans nor cost estimates have been submitted to the Board by the City Engineer. Under the tentative proposal the improvement would be made for a distance of 19 blocks.

Board members would continue the widening south to Garfield Park to establish a through South Side artery. Removal of street car tracks is included in the proposal. Congestion of S. East St. is made worse by parking of produce trucks, board members said.

## LIBRARY DISPLAYS TO BE KEPT IN MAY

The Indianapolis Public Library is to continue during May the 30 displays of current affairs pamphlets. Each display, started this month, includes about 700 recent pamphlets. There are to be special groups for speakers, containing factual material on most current subjects, such as government, evolution, drinking, economics and other topics.

## SCHOOL TO OBSERVE TENTH ANNIVERSARY

Crispus Attucks High School is to celebrate its 10th anniversary beginning May 7 by a radio broadcast, programs in co-operation with local churches and open house days.

## Must Women Lose Their Charm After 45?

After 45 all women go through that inevitable change—the Menopause—“Change of Life.” To many this time of life is one of fear—the fear of losing their charm and attractiveness. This fear is aggravated by the miserable symptoms associated with the “change”—the hot flashes, chills, dizzy spells, depression, violent headaches, “nerves,” irritability. There is no real foundation for fear after 45. There is no reason why women must be as attractive, just as charming, after 45 as they were in their early thirties. The “Change” need not cut out any woman on the “shelf.” As for the trying physical discomforts doctors have discovered a way to relieve them. They prescribe by injection or in tablets the gland-regulating hormone that is lacking at the “change.” It is the lack of this hormone that causes the trouble. This identical hormone, together with other helpful ingredients, may be obtained in 20-ak tablets (Orange Box), at Hook's Bait and Kettle Drug Store. 20-ak is a physician's formula so you can take it with confidence. And also with the understanding that if taken as directed it does not relieve the hot flashes, dizzy spells, headaches, “nerves” of the “change,” you get your money back. Free booklet in sealed envelope by registered pharmacist, write 20-AK CO., INC., 10 W. 42nd St., NEW YORK, N.Y.

## MOONEY REOPENS FIGHT FOR LIBERTY

*By United Press*  
SAN FRANCISCO, April 13.—Centering an attack on the testimony of four “eye witnesses,” whose statements resulted in the conviction of Thomas Mooney in the Preparedness Day bombing here in 1916, George T. Davis, chief defense counsel, resumed his fight before the State Supreme Court today for his client's freedom. Mooney was present in court yesterday, as was his wife, Mrs. Rena Mooney. Davis told the court that “a good deal of the material I intend to argue before you has never before been heard in a court of law.”

## DEATH LAID TO POISON

Poisoning apparently caused the death last night of Allen Ray Dickison in City Hospital. Deputy Coroner Norman Booher said. Mr. Dickison was taken to the hospital Sunday. Dr. Booher said an inquest would be completed today or tomorrow.
