"MY DIGESTION TAKES IT!"

says crack newsreel cameraman **AL MINGALONE**

HE GRABS HIS MEALS as he can, but getting the picture comes first! "With Camel's help," Al says, "my digestion always stands up under the strain. I smoke Camels right around the clock—they don't jangle my nerves, irritate my throat, or tire my taste." Enjoy mild, fine-tasting Camels throughout the day. Smoking Camels at mealtimes and afterwards aids digestion with an increased flow of digestive fluids—alkaline digestive fluids. Camels set you right! And they're gentle to the throat.
