

LIONS TO ELECT OFFICERS, PUSH HELP FOR BLIND

Shirley Considered Likely Convention Choice for Governor.

Closing their 15th annual convention here, Indiana Lions today made plans to carry forward their "White Cane" activities to aid the blind.

Officers were to be elected this afternoon. Walter H. Shirley, Indianapolis, present state secretary-treasurer, was considered the probable choice for Southern District governor. He would succeed J. P. Flint, Crawfordsville, present governor.

A resolution was drawn containing a four-fold program for furthering white cane activities. The Lions plan to continue supplying the braille magazine to all blind children in the state; to present white canes to all blind adults; to aid in rehabilitating blind people by finding them jobs for which they are fitted.

A specific plan also was drawn to post signs along the county road leading north of Broad Ripple to the State Blind School at 77th St., warning motorists to "Drive Carefully—Blind Children." This work covering about two miles of road, is expected to begin immediately, according to Edward O. Swetten, chairman of the committee on state activities for the blind.

President Speaks

The convention last night heard Edwin R. Kingsley, Parkersburg, W. Va., international president.

Speaking at the governor's banquet in the Riley Room of the Claypool Hotel, Mr. Kingsley stressed the value of Lionism in meeting the "radicalism" in international affairs and the building of a better citizenship among the youth of America.

With approximately 600 in attendance, Mr. Kingsley told the meeting that "only rearing men and women of good character, not culture, will stand the tests of time."

He added that "there is not an adequate program of character building in our schools and colleges today. Half of our people have no religious affiliation whatever. Throughout this land we are flooded with filthy pulp magazines that print the worst of filthy reading matter. He pleaded for aid to underprivileged children."

W. W. French, international director who spoke at the same meeting, praised the recent flood relief work of Lions in southern Indiana. He also discussed the advancement of the organization in Indiana, calling for a membership drive that will increase the number of clubs from the present 106 to more than 200. He said those 200 clubs would include more than 10,000 members—more than double the present number.

Study District Split

Listed as principle business for today was a committee report on a resolution to split the northern district into two districts comprising approximately 31 clubs each. The resolution was introduced by Edward H. Paine, Michigan City, northern district governor. Delegates believed the convention would go on record as favoring the proposal, but would delay action until next year to allow time for a committee to study finances, auditing and boundaries.

As little as a 10-minute soaking in Rinso's lively suds get clothes amazingly clean. Yet Rinso is safe even for overnight soaking. With Rinso you don't have to scrub—you don't have to boil the clothes. That means they'll last 2 or 3 times longer. Furthermore, the New Rinso soaks clothes hygienically clean—removes germs that might be lurking in the clothes. Economical—a little goes a long way. Tested and approved by Good Housekeeping Institute.

Commends High Ideals of Business; Layton New President.

Governor Townsend commended the high plane upon which the insurance business is conducted in a talk at a dinner honoring George H. Newbauer, State Insurance Commissioner, last night at the Indianapolis Athletic Club.

He said he thought that the confidence expressed by the public in the profession was due partly to co-operation by the Government.

More than 700 attended the affair, sponsored by the Insurance Federation of Indiana.

David Layton, manager of the New Amsterdam Casualty Co., was elected president at a business session yesterday afternoon.

The Governor said that insurance,

because of its stability, had become the "keystone of security" in American life.

John E. Messick, of Foster & Messick, managers of the United States Fidelity & Deposit Co. of Baltimore, was awarded the Frank M. Chandler trophy for outstanding service to the insurance business during the year.

Others elected at the afternoon meeting besides Mr. Layton were Harlan J. Hadley, H. P. Sweeney, Ben R. Turner, Homer L. Rogers and P. O. Powers, vice presidents of the Federation; Herbert A. Lucky, treasurer, and Joseph G. Wood, secretary-counsel.
