

# ARRESTED AS HE STARTS TO COLLECT

George Reynolds, 17, of 827 N. New Jersey St., realized today his luck was ill-timed.

Yesterday, police said, he was playing a pin ball game in a drug store owned by Otto Elston at 821 N. New Jersey St. He had just succeeded in piling up a winning score and was about to collect 10

cents when two police officers entered.

Mr. Reynolds was arrested on a charge of gaming, and Mr. Elston was arrested for violating the slot machine law. Three machines and Reynolds' winnings were confiscated.

# DELAY INDICATED FOR LUDLOW PEACE PLAN

WASHINGTON, Aug. 4.—The Ludlow war referendum, a constitutional amendment resolution, is not expected to reach the House floor before the next session of Congress in January.

So far, 170 House members have signed a discharge petition to bring

the resolution, sponsored by Rep. Louis Ludlow, out of committee and before the House for debate and vote. A House majority, or 218 members, must sign the petition before it is effective. Twelve state delegations in Congress are reported to have signed the petition.

Under the resolution, American soldiers would not be sent to foreign lands to fight until the question is submitted by referendum to the American people.

# REUNION TO BE HELD BY EX-KENTUCKIANS

Speeches, mountain music and singing are to feature the program being arranged by Mrs. J. H. Adams, association president, and Mrs. William Snoddy, secretary.
