

GREYHOUND READY FOR ATTEMPT TO LOWER RECORD

Special Event to Serve as Curtain Raiser to \$40,000 Hambletonian Tomorrow

Italian Representative of Muscletone, European Champion, Meets Baker and Palin Relative to Proposed International Race.

By United Press
GOSHEN, N. Y., Aug. 10.—Greyhound, U. S. champion trotter, makes an attempt to break the mile record set by Peter Manning in 1922 today as prelude to the \$40,000 Hambletonian stake at Good Time track tomorrow.

Peter Manning hung up the record of one minute, 56 1/2 seconds over the Lexington, Ky., one-mile track. On three different occasions last year, Greyhound trotted the mile in 1:57 1/4, and only a month ago he turned the half-mile track here twice in 1:58 1/4. Horsemen, taking the difference of the tracks into consideration, believe Greyhound's mile was greater than Peter Manning's.

In his last fast workout at the Asgawam track, Springfield, Mass., last Wednesday, Greyhound trotted a mile in 2:01 1/2, making the last half in 59 seconds and this is expected to put him on edge for a real record attempt today.

Plans for matching Greyhound and Muscletone in an international duel were discussed further today. Giovanni Maiani, owner of Muscletone, arrived from Italy yesterday and was met by E. J. Baker, owner of Greyhound, and Driver Sep Palin of Indianapolis. Maiani speaks no English and preliminary discussions for the match race had to be through an interpreter.

Muscletone will be busy for several more weeks racing in Europe and will not arrive in this country until early September. A site for the race, and the distance will have to be decided upon. Maiani went to Goshen today to see Greyhound make his world record attempt.

Muscletone has not been beaten since 1924 when he left this country after being bested by Lord Jim in the Hambletonian. Most of his races have been at about a mile and a half, and the length of a match race against Greyhound is sure to be a bone of contention. If it is longer than a mile, the European horse undoubtedly will be the favorite.

Palin will be up on Greyhound today when the famed trotter makes his attempt to lower the world record.

Purdue, Butler Renew Rivalry

Times Special
LAFAYETTE, Ind., Aug. 10.—Purdue's "oldest" gridiron rival, Butler University, the school that the Boilermakers bumped up against in 1887 when they first essayed a try at football will provide the athletic feature of Boy Scout Day on the Purdue campus in the season's opener in the Ross-Ade Stadium Saturday, Sept. 25.

The battle with the Bulldogs, undefeated last season as they coped the Indiana Collegiate Championship for the time time in recent years, is expected to provide an ideal attraction for the visiting Boy Scouts who will be the guests of the Purdue Athletic Department for the afternoon.

Detailed plans for the Boy Scout Day program are being worked out by E. L. Wheeler, Scout Executive for the Tippecanoe Area Council; student representative of the Purdue Chapter of Alpha Phi Omega, Boy Scout fraternity, and members of the Purdue athletic staff. An invitation to Indiana Scouts to attend as the guests of the athletic department will be extended through the various scout executives. For the entertainment of scouts that arrive on the campus early in the morning, plans are being made for a special program that will include tours of the campus and special demonstrations.

Although the Boy Scout Day game will mark only the second meeting between the Hoosier athletic rivals since 1902, away back in the '80s and '90s the two schools were annual rivals. To date, the two elevens have met on the field of football nine times, with Purdue winning six times and Butler three.

Tribe, Saints In Night Tilt

Times Special
ST. PAUL, Aug. 10.—The Indians feel a lurch coming that maybe, after all, the situation could be more unpleasant than the circumstances indicate. They won a ball game yesterday out at Lexington Park and the Tribe boys think it is likely that they will consider the Tribe, Saints in night tilt.

This is only the third victory on the seventeen road trip in 14 starts, but a victory, nevertheless, and they hope to gain a bit of lost ground during the heavy series with the Saints.

Two Double-headers

The second tilt with the Apostles will be played under the lights tonight and then will follow double-headers tomorrow and Thursday to wind up the Redskins' pastime in the West for the season.

Vance Page was batted freely in the series opener, but outlasted two St. Paul hurlers, Coombs and Welch, and won, 10 to 6. Hits were 10 for the Hoosiers and 15 for the Apostles. Strange as it may seem, only two home runs were clicked off, one by George Archie of the Tribe and the other a mighty smash by Vernon Washington, the former Indian, for the home team.

The Killeferites were held at bay until the fifth stanza, but after getting under way they rattled the boards with base hits and sent young Bobby Coombs to the showers in the sixth with a four-run rally after tallying twice in the fifth.

It required six innings before the Redskins captured the lead, but after they got out in front they remained there and Page survived a belated rally by the Saints in the ninth that was good for three runs.

Top starters were Archie Taylor, Riddle and Berger for the Indians, and Page for St. Paul, all with three blows each. Riddle, whose hits included a double, was especially effective with the war club with mates on base and batted in four runs.

Both teams had a flock of runners left base, 15 by Indianapolis and 14 by St. Paul.

JACK TORRANCE LOSES

WASHINGTON, Aug. 10.—Jack Torrance, former Louisiana State University football player and shot-putter, was knocked out in the fifth round by Murray Kanner, local heavyweight, here last night. In another feature bout Vitorio Venturi, New York welterweight, outpointed Phil Furr, Washington.

Paul Hinkle, director, and Frank Leahy, Fordham, will have charge of today's discussion at the coaching school at Butler University. Hinkle will continue his talks on basketball offense that he began yesterday afternoon. Archie Chadd, Anderson, also is a member of the net sport faculty. Bulldog basketball stars are used to demonstrate the plays.

This afternoon, Leahy, in his lecture, will speak on center, guard and tackle plays in football. Harry Stuhldreher, University of Wisconsin athletic director, will have charge of tomorrow's football session. Paul Brown is the sixth member of the coaching school staff.

NEW YORK, Aug. 10.—Major

league turnstiles are clicking at the merriest gait since the inflation

charge of tomorrow's football session.

Paul Brown is the sixth member of the coaching school staff.

Both leagues are approaching their best years. Already the American League has drawn 4,610,283 paid admissions and the National League 4,107,222 for a grand total of 8,726,505. Each league is sure to go well over 6,000,000 with a chance they may hit 7,000,000 if the races don't cool off completely.

The New York Yankees are shooting at all-time records. They've played to 974,845 persons in 42 playing days at Yankee Stadium, an average of more than 23,000 per game. On the road they've played to 731,312 in 49 playing dates. The total for all Yankee games is 1,706,157. The Yanks' all-time road record of about 1,000,000 is almost certain to topple with about 26 playing dates left.

The Giants top the National League in attendance with 900,700 for 45 playing dates at the Polo Grounds. Next comes the Chicago Cubs with 695,000 for 42 home dates.

Although they've never really been serious in the race, the Detroit Tigers are drawing unusually well with 871,550 for 41 playing dates at Navin Field. One of the big surprises is the drawing power of the White Sox at home, 583,500 for 43 playing dates. That's probably the most business the White Sox have done since the Black Sox scandal days.

The Yankees and White Sox started the two biggest crowd days. A Sunday double-header at Yankee Stadium June 20 drew 68,939. On Tuesday, Aug. 3, they played to the biggest week-day crowd of the year, 66,767.

Yesterday was an off-day all around the big league wheel. The only development was the sale of Ben Cantwell, right-hand pitcher, by the Giants to the desperate Dodgers. Cantwell served most of the season with the Jersey City International League Club, but was recalled by the Giants two weeks ago.

OH—WHAT A RELIEF

From My Feet

Three games are on tonight's round schedule. Eli Lilly meets Real Silk at 7 o'clock; U. S. Tires play State Highway at 8 and Wilkinson Lumber Co. faces Little Flower at 9. The three games are to be played at Softball Stadium.

Last night's tourney games were one-sided. American Can defeated Estate Ranges, 13 to 0; Link-Belt swamped H. P. Wasson, 10 to 1; and Howard Street Merchants beat out Hecker Products, 17 to 0.

In the annual Can victory, Clarence Doss, winning pitcher, was outstanding, limiting his opponents to one hit and striking out 17 batters. He also aided his cause by hitting a home run with the bases loaded.

The Shelby Street Locals will play Joe's Gang a double-header Sunday with the first game starting at 12:30 p. m. All players are requested to meet at West and South Sts., at 11:30. The locals have open dates on Aug. 22 and 29. Write Jim Collins, 630 Coffee St., or call Belmont 0951-J.

Behind the no-hit pitching of Harry Freije, St. John's of the Knights of Columbus League, blanked St. Roches, 5 to 0.

TUXEDO CARDINALS SEEK GAME

The Tuxedo Cardinals won their 14th game of the season from Koko, 4 to 2. The hitting of Carver for the winners featured the game. The Cardinals, who have lost only two games all season, would like to book a game for Sunday. Fast state clubs take notice. Write R. Day, 208 S. Summit St., Indianapolis.

Tom Quinn Medal To Be Awarded

The Tom Quinn Sportsman's Medal is to be awarded again this year to the player showing the best mental attitude during the city softball tournament.

The medal, awarded for the first time last season by Mr. Quinn, Indiana's Softball Association president, was won by Adam Walsh of the Holcomb & Hoke team.

The competition, now in its first round, games, opened last Friday and is to be completed in two weeks. The winner will be crowned city champions and also will represent

the city in the state softball tournament.

Yesterday's results:

Albert Winston, Evanston, Ill., defeated William Taylor, Saginaw, 6-0; Robert Williams, Toledo, defeated Ted Strohman, Pasadena, 6-0; Charles Shostrom, Chicago, defeated Peter Shontz, Dublin, 6-0; Ted Egman, St. Louis, defeated H. H. Johnson, 6-0; John Foran, Glenco, Ill., defeated Peter Jackson, Chicago, 6-0; Jack Tuck, Rochester, Chicago, 6-0; Amos Light, Tuckahoe, N. Y., 6-0, 2-8, 6-3.
