

YOUTH INDICTED FOR 'JEALOUSY KILLING' OF GIRL

Death Penalty to Be Asked For Richmond Boy After Jury Action.

RICHMOND, Ind., Sept. 10 (U. P.).—Hollys Sager, 16-year-old sandlot baseball star, today faced first-degree murder charge for the alleged "puppy love" slaying of pretty, brunet Martha Markey.

The youth, who allegedly shot his 15-year-old schoolgirl sweetheart because she was going to have another "date," was indicted by the Wayne County Grand Jury last night. Judge C. H. Hoelscher said he probably would be arraigned today or tomorrow.

Prosecutor John Britten indicated he would ask for the death penalty. Indiana law does not lessen the sentence in the case of a minor.

According to local police, Sager shot Martha while she sat on the front porch of her home talking with two girl friends. The boy had appeared at the house earlier that day to ask her for a "date," authorities claimed. She didn't answer, but told Muriel Hill to tell Hollys she had decided to go out with another boy, they charged.

Claims Gun Borrowed

Sager, enraged, went to the home of Ray Kinder Jr., borrowed a rifle on a pretext of going squirrel hunting, the authorities claimed.

He obtained some shells at his own home, then, with Kinder, took his father's car and drove to the rear of Martha's house, according to officers. They said Kinder was ignorant of Sager's plans.

In a signed statement, police claimed Hollys said he found Martha with two other girls on the porch, that he walked up, shot the girl in the head then drove Kinder home.

Martha died in Reid Memorial Hospital. The bullet had entered the back of her head and lodged behind her left eye.

Sager returned to the Markey home and was arrested. Later he told police he tried to shoot himself but the gun jammed, they said.

Martha was to have entered Morton High School Thursday. Sager was a sophomore.

KARABELL SETS V. F. W. CHIEF'S TRIAL

Ancl Morton, 1131 Gimber St., commander of Veterans of Foreign Wars Post No. 908, charged with violation of the Anti-Slot Machine Law, is to appear in Municipal Court again next Friday. His case was continued yesterday by Judge Charles Karabell.

Morton was arrested after police had been summoned to the post clubhouse to investigate a burglary. Police charged they found eight slot machines in the place. The machines had been broken open and about \$150 had been taken, police said club authorities told them.

German-American Bund Members Called Foes of Americanization Efforts

Yearbook of Society Described as Written From Nazi Code; Chicago Newspaper Continues Alleged Expose of Group.

(Editorial, Page 20)

CHICAGO, Sept. 10 (U. P.).—American Nazi's make "health, Hitler, heels and hatred" the 4-Hs of their drive to "prevent Americanization of American children whose parents are members of the German-American Bund," the Chicago Times said today.

Today's copyrighted installment of a series based on a six-month under-cover investigation, said the Bund yearbook was reprinted from the German magazine Deutsche Arbeit.

Referring to German children who have emigrated to America, the yearbook said, according to the Chicago Times:

"In the coming years all the unity and all the efforts will be required in order to put a stop to the former crippling by the Americanization of their youth."

The paper charged 20,000 Bund members were preparing to seize control of the United States when Communists and Jews—as Nazis expect—start a revolution.

John C. McCalfe, a Chicago Times investigator, quoted Alfons Bren, member of the Astoria, Long Island Bund Post, as saying:

"We feel that one of these days the U. S. must make its choice between communism and fascism. When that day comes—and no one knows how soon—we must be prepared. We do not advocate a revolution, but we fear there is apt to be one. When the revolution comes, it will likely be one of communism. Then we shall rise to fight it. We shall go on the side of fascism. We do not believe in racial equality—that Negroes and Jews are as good as white men."

Another investigator reported one Bund youth camp was at the Deutchhorst Country Club, near Croydon, Pa., and 40 boys and 25 girls live there in tents.

Indianapolis Groups Doubt Nazi Story

Indianapolis German-Americans said today they knew nothing of plans to form a Nazi organization here, as the Chicago Times reported in a copyrighted story.

Leaders of local German social societies said they did not believe the report and would oppose such an attempt.

Hitler Praises Police Reform

NUREMBERG, Germany, Sept. 10 (U. P.).—Fuehrer Adolf Hitler, addressing 3000 police today at the

Hitler party congress, praised the Nazi reform under which truncheons have been abolished and the police are armed only with loaded pistols.

"There is only one alternative for the police," Hitler said. "Either the personal authority of the policeman must be strong enough to command respect for the law or the law must be enforced by the sharpest weapons."

"However, it is impossible to truncheon members of our nation like colonial or subordinated people."
