

\$10,000 SLASH FOR CIVIL CITY BUDGET SLATED

Cuts Tentatively Voted by
Board After Final Re-
view of Items.

The Marion County Tax Adjust-
ment Board today tentatively voted
\$10,000 cuts in the Civil City
budget request in a final item-by-
item review. Final vote on the city
budget may come tomorrow, Board
members said.

At the same time Mayor Boetcher
agreed to a 1-cent cut in the Civil
City's proposed rate of \$1.2947 when

he told the Board that the slash
could be made because the Citizens
Gas & Coke utility is expected to
pay the city \$50,000 in lieu of taxes.

The utility paid the money this
year but has not expressed itself
regarding the payment in 1938.

When final vote is taken on the
Civil City budget, it is expected that
an additional reduction of several
cents will be made. Final votes on
all budgets must be taken by Friday.

Items voted tentatively out of the
city budget today were:

Reduction in the county election
item from \$40,000 to \$37,500. The
cut is that portion of the estimated
amount which the city would have
to reimburse the county for its share
of the general election cost, next
fall.

Chief Deputy County Clerk
Charles R. Ettinger earlier had held
the city's estimates of the election
cost was \$2500 high.

The Mayor's contingent fund of
\$5000.

Salary items totaling \$3100 from

the legal and purchasing depart-
ments and the Works Board.

Mayor Boetcher scanned with the
Board miscellaneous receipts bud-
geted for 1937-38.

FIRE DAMAGES TWO HOUSES AND GARAGE

Unestimated damage was caused
by a week-end fire in two residences
and a garage at 241 and 247 N. Gray
St. The blaze spread from the home
of Robert Gaskill, 241 N. Gray, to
that of Jack DeVault, firemen said.

Approximately \$300 damage was
caused by fire in servants quarters
at the home of C. S. Matson, 5505
Allison Road.

Don't Be Discouraged!

A perfect set of artificial teeth give form to the
face and make a smile worthwhile, besides doing
a mighty good job of masticating.

We believe we make very nice plates.
