

## HARMONY TO BE NEW DEMOCRAT LEADER'S GOAL

Clauer Takes Chairmanship,  
Promising to Talk With  
'Rank-and-File.'

William E. Clauer, new Marion County Democratic chairman, said

today as he assumed his duties that "my chief objective will be to promote harmony within the party." He added that he would be busy for several weeks getting acquainted with new party leaders and would visit ward and precinct chairmen to discuss organization matters.

"No approval will be given primary candidates for any offices until I talk with rank-and-file party members," the new chairman said.

### New Leaders Considered

He announced that new leaders would be named later for precincts created under the redistricting now before County Commissioners. He pointed out that in the 1936 elections, several precincts were found to be too large.

Mr. Clauer, elected unanimously

Saturday, has been a party worker for more than a score of years. He is to serve until after the May primary election. Party leaders said it would be his responsibility to see that factionalism did not split the party before election.

Born in Franklin County, April 10, 1885, the new chairman has lived in Indianapolis 40 years. He was a minority member of the City Council during the Lew Shank administration, starting in 1922, and in 1925 he was named Democratic City Chairman.

Elected in 1932 as county treasurer, Mr. Clauer served his two-year term and declared he would not run for that post again. Designated as one of the beer importers

for the Indianapolis district following the repeal of prohibition, Mr. Clauer now heads the Hoosier Wine and Beer Co., a port of entry for malt beverages imported from other states.

For 14 years he was secretary of the Indianapolis American Association baseball club, retiring in 1931. Mr. Clauer is married and has a

15-year-old son now attending Park School. He lives at 5212 N. Capitol Ave.

His election followed Mayor Boetche's resignation as county chairman to succeed John W. Kern, who now is a member of the U. S. Board of Tax Appeals.
