

FINES LEVIED ON 24 MOTORISTS; GIRL, 6, INJURED

Lucille Rodgers' Condition
Is Reported Critical;
Brother Hurt.

As 6-year-old Lucille Rodgers, injured in a traffic accident, lay in a critical condition in City Hospital, 32 motorists appeared in Municipal Court today charged with traffic law violations.

Twenty-four were convicted and fined \$225, cases of two were continued and judgments were withheld for six others. A total of \$115 in fines and costs were suspended. Of the 24 cases, 10 were for failure to stop at preferential streets and nine for running red lights.

The injured child, who lives at 630 S. New Jersey St., received a fractured skull yesterday when she walked into the path of an auto at Virginia and Fletcher Aves., according to police. She was walking with her 7-year-old brother, John, who was injured slightly.

Witnesses told police the children walked in front of the car as they watched a City Hospital ambulance on a run. The car driver, William Bellmore, 36, of 641 Ingomar Ave., was not held.

Hurt in 3-Car Crash

Clarence G. Ryan, 40, Evansville, received a possible crushed chest in a three-car accident last night at Delaware and New York Sts. He was reported in fair condition today at City Hospital.

Police were told that Mr. Ryan, driving south in Delaware St., crashed into the rear of a car driven by Roy Fox, 35, Noblesville, who was waiting for the traffic signal to change. The impact caused Mr. Fox's car to strike another driven by Alexander G. Cavins, 55, of 4716 Park Ave.

Mr. Fox and a companion, Ralph West, also of Noblesville, were bruised.

BELIEVE SHAFFER SLAIN, POLICE SAY

NOBLESVILLE, Oct. 5 (U. P.).—Special officers who have been seeking the trail of the Al Brady gang today indicated they believed Clarence Lee Shaffer Jr., member of the gang, may have been slain.

The officers disclosed their theory here last night after several days of investigation in Hamilton County, where Shaffer's mother lives.

They based their belief on the fact that Shaffer has not been identified in recent bank robberies in Indiana and other states where such crimes have been attributed to Brady mobsters.

"We have had several identifications that Brady and James Dalhove were with some of these gangs," one of the officers said, "but not one of the effect that Shaffer was with them. Also, we have positive information that an Indiana sweetheart of Shaffer's has not heard from him for a long time. We are sure this girl would have notified us if she had received word from him."
