

DURANT AND NYE ARE TO ADDRESS TEACHERS HERE

Program for Convention Is Announced by Committee.

The program for the 84th annual convention of the Indiana State Teachers Association was announced today by the executive committee. Sessions will be held in various hotels, churches, auditoriums and clubs, Oct. 21 and 22.

Dr. Wendell W. Wright, Bloomington, organization's president, has announced several nationally known speakers for the program.

Speakers are to include Dr. Will Durant, author; Senator Nye (R. N. D.); Merle Thorpe, Washington, editor of Nation's Business magazine; and Walter F. Dexter, California, Public Instruction superintendent. Senator Nye will speak at the opening session in Cadle Tabernacle, which will be called to order by Hilda Maehling, Terre Haute, retiring president.

The general business session will be held Oct. 22. In the afternoon Mr. Dexter will speak at the Adair Theater, followed by a Horace Mann program to be presented by Arsenal Technical High School pupils under the direction of Chelsea Stewart.

Mr. Thorpe and Mr. Durant both

will speak at the closing session that night.

Sectional meetings will be held morning, afternoon and night each day, but will not interfere with important general sessions.

In the president's message to the association Dr. Wright said:

"The Indiana State Teachers Association, now in its 84th year, has attained maturity. Its functions have increased. Its problems have multiplied. To be true to its heritage, to maintain a place of educational leadership worthy of its name, requires active and mature thought on the part of its members in relation to its future."

"There are now under guidance of the members of this association hundreds of thousands of boys and girls. To them more than any other group of people in our midst we owe our oath of allegiance. Let them feel as we do the pride in our profession and in the work of our organization."

RUSSIANS TO ELECT NEW LEGISLATURE

MOSCOW, Oct. 12 (U. P.)—Russia's new national legislative body will be named Dec. 12 in the first secret elections for members of the Supreme Council.

The Supreme Council, established under the new Constitution, will consist of a Senate and a Chamber of Deputies.
