

**GIVE TO MEET THE NEED!**

# NEEDS ARE GROWING!

Picture this Great Fund, not in dollars, but in the GROWING NEEDS of desperate Mothers and Babies, deserted Little Children, feeble Old People, the despair of Sickness, rebuilding Destitute Families, meals and lodgings for homeless Men and Women and building character in growing Boys and Girls. The actual figures show Increased NEED—rising prices make every NEED cost MORE!

## Can YOU Give MORE?

NEEDS GROW SO GREAT that without Your Utmost Giving all of us must suffer. Needs not met have a way of growing into Epidemics. And it takes an epidemic of Giving to meet them. NOT ONE CENT OF YOUR GIFT WILL BE WASTED. For months, committees of experts have combed this fund searching for duplication with tax money. There is none! Other experts scanned the requirements of Every Agency—cut their requests to the bare minimum of Actual Need. Campaign costs were cut to 4 per cent—administration costs for the year to 4 per cent. Individual agency campaigns would cost three times more! YOU can make YOUR Increased Gift with knowledge that EVERY CENT GOES TO MEETING THESE GREAT AND GROWING NEEDS!

Can YOU Give MORE to Take Care of These Growing NEEDS?

Your Community Fund is the One Great Effort where every one of us—regardless of position, race or creed—joins in taking care of the common NEEDS of Our Neighbors. If this work is Not Done Well we run the risk of epidemics of sickness and taxes and crime. And beyond this NEED of Today is the NEED of Tomorrow. 15,000 growing Boys and Girls can be trained into Good Citizens through Your Fund Agencies. If You neglect them—again it costs you MORE!
