

# WILLIAMSON SELECTS INDIANA OVER ILLINOIS

## Favors Pittsburgh to Defeat Rams in Big Game in East, Wildcats to Trip Purdue

Victories Are Forecast for California, Cornell and Louisiana State; Butler, DePauw and Wabash Also Seen as Winners.

AS the battering Fordham Rams meet the slashing Pittsburgh Panthers in a game that may go a long way toward deciding the Eastern Rose Bowl representative, top ranking teams from all over the nation face strenuous opposition tomorrow.

The Williamson system indicates a Pittsburgh victory, although a duplication of last year's tie is not unlikely. Meanwhile, California, Cornell and Louisiana State, rated at the top of the list, should have little difficulty in maintaining their records with victories over weaker opponents. Alabama figures to win a close one from Tennessee. Texas A. & M., a newcomer to national football prominence, may have difficulty with Texas Christian, but should win.

Big Ten selections include Indiana over Illinois, Minnesota over Michigan, Northwestern over Purdue and Wisconsin over Iowa, although possible ties are indicated in all but the last game. Princeton looks too strong for Chicago, and Notre Dame appears a likely winner over Carnegie Tech.

In Indiana, Butler should win easily from Evansville and DePauw appears to have the edge on Ball State, as does Wabash over Earlham. Other Hoosier predictions include Central Normal over Oakland City, Indiana State over Franklin (a possible tie), Valparaiso over Manchester, and St. Joseph over Rose Poly (another close one).

**EXPLANATION**—Figure after each team is its rating according to the current Williamson Football Rating Table, published earlier this week. In "Predict" column: 1, means win for No. 1 team; 2, means win for No. 2 team; T, means possible tie game or close outcome; R, means prediction contrary to ratings. No. 1 team plays at home, X, Friday afternoon; Y, Friday night; Z, Saturday night. These predictions are made on the basis of each team's past performance to date THIS SEASON, as measured by its Williamson rating. They tell as closely as possible the exact shade of difference between each of the competing teams, so far as this is revealed by their previous records this season. When the symbol "T" with a number appears in the Predict column the number indicates the team which is slightly favored, but a very close decision or "upset" is predicted as possible. A difference of 3 percentage points or less in the ratings of two teams often indicates that they are evenly matched and their game is a toss-up.

## DePauw-Ball Tilt Tops List In State Loop

Both Unbeaten in Conference Games; Butler Takes On Evansville.

By United Press

DePauw and Ball State, both unbeaten in Indiana Conference competition, meet at Greencastle tomorrow in the feature engagement of the seven-game conference football schedule.

Coach Raymond R. (Gaury) Neal's DePauw eleven has smashed through three league opponents this season while Ball State has triumphed twice in conference games. It will be home-coming day at the Greencastle school and DePauw's fourth conference tilt in as many consecutive week-ends.

Other league contests bring together Evansville and Butler at Indianapolis; Oakland City and Central Normal at Danville; Indiana State and Franklin at Franklin; Valparaiso and Manchester at North Manchester; St. Joseph's and Rose Poly at Terre Haute, and Wabash and Earlham at Richmond.

## Denies Strike Threat On Cincinnati Squad

CINCINNATI, O., Oct. 15 (U.P.).—Wade (Red) Woodworth, former all-America lineman at Northwestern, who Wednesday was named head football coach at the University of Cincinnati, today denied reports a threatened player strike had caused the resignation of H. Russell Cohen.

Cohen, former assistant coach at Vanderbilt University, had been under fire for the past two seasons. He said he believed "the best interests of the university would be served by a change in the coaching staff" and therefore offered his immediate resignation.

## Frosh to Start For St. Joseph's

COLLEGEVILLE, Oct. 15.—Two freshmen backfields are expected to start for St. Joseph's College when the Cards go to Terre Haute for Rose Poly's home-coming tomorrow. Chuck Richardson, left halfback, probably will be in the lineup to replace Dick Scharf, injured veteran, and Bob Duax appears likely to start at right half in place of Jerry Vocis, whose leg injury has failed to respond to treatment. However, Earl Petit, reserve fullback, has shown such improvement in the last two games that he may get the call at one of the halfback positions, Coach DeCook said.
