

# COULTER NAMED TO HEAD INDIANA T. B. SEAL DRIVE

\$200,000 Goal for 1937  
Sale, Purdue University  
Dean Says.

Dr. Stanley Coulter, dean emeritus of Purdue University, today was named Indiana chairman of the annual Tuberculosis Association's Seal Sale campaign for the 11th consecutive year.

His reappointment was announced by Dr. C. J. McIntyre, association president. Upon accepting the appointment, Dr. Coulter said efforts would be made this year to bring Indiana sales to \$200,000. Last year's total was \$175,936, an increase of 20 per cent over 1935.

"The popularity of the seal sale and the response in this state to the annual call for tuberculosis funds, indicates the interest of Indians in public welfare and more particularly in health," Dr. Coulter said. "During the last two years the state has registered a 20 per cent increase in the sale."
