"I'M A BUSINESS MAN, and do a lot of entertaining in my home. Naturally, I want to serve good whiskey but keep costs down, too."

SILVER DOLLAR TASTES RIGHT because it's made right. Every drop is aged full two years in charred oak barrels!

SILVER DOLLAR is a fine, full-flavored whiskey. That's because it's distilled just like more expensive brands, and aged in charred oak barrels in weather-controlled warehouses where it's "summer" every day. Be whiskey-wise—say "Silver Dollar" and get the benefit of 80 years of experience in making fine whiskeys.

"THAT'S WHY I'M PROUD to serve Silver Dollar. My guests praise its smooth taste, and I save money on every bottle!"
