Nish Dierhart, Municipal Airport
superintendent, and M. J. Johnson,
airport engineer, were in Washington
today to submit an amended
City is willing to spend \$60,000 of
a Government radio experimental
station at the airport.

They were to advise the U. S.
Department of Commerce that the
city is willing to spend \$60,000 of
which \$40,000 would be for con-
struction of a building. The bal-
ance would be used for construc-
tion of runways as specified by the
Department.

Signing of the contract was de-
layed recently when R. C. Gazley,
planning division chief of the Com-
merce Department, was here. City
officials at that time could not de-
cide on materials to be used in the
runways.

POLICE REGISTER BLUFFTON JOBLESS

BLUFFTON, Jan. 12 (U. P.)—
Wells County residents have
need of workmen all they have to
do now is to telephone the police
station where the unemployed
will be assisted in obtaining work.

An increase in the number of un-
employed in Bluffton resulted in
City officials and leaders of civic
and social organizations to devise a
plan of registering the unemployed.
A register was placed in the police
station where the unemployed
will be assisted in obtaining work.

Clarence Manion, National
Emergency Council director for Indiana,
is to speak at a district ban-
quet of the Knights of Columbus,
Sunday evening at Greensburg.
