AGRICULTURAL DEPARTMENT IS SHAKEN UP

Wallace Shifts Key Men to Co-ordinate New Deal Farm Program.

WASHINGTON, Oct. 7 (U. P.).—Secretary Wallace, in the most drastic "shakeup" of Agriculture Department personnel in a quarter century, sent new executives to key positions today in a reorganization move to co-ordinate the New Deal's farm program.

Resorting to direct action to meet emergencies resulting from farm surpluses and declining prices, Secretary Wallace reorganized the administrative agencies of his Department to co-ordinate the marketing and production control features of President Roosevelt's farm program.

Most important shift was the transfer of H. R. Tolley of Indiana, Agricultural Adjustment Administration chief, to head the expanded Bureau of Agricultural Economics.

Mr. Tolley will supervise all general planning for acreage adjustment, conservation and marketing. He will direct flood control work, forestry, wildlife conservation, production control, tenancy and rehabilitation programs of the department.

A. G. Black, previously chief of the Bureau of Agricultural Economics, was made director of marketing and regulatory work, an agency to co-ordinate the work of the Federal Surplus Commodities Corp., AAA marketing agreements, the Sugar Act and the Commodity Exchange Act.

R. M. Evans, assistant to the Secretary, succeeded Mr. Tolley as AAA Administrator, while H. H. Bennett, Soil Conservation Service chief, assumed responsibility for physical operations in land-use programs.

The reassignments in executive branches of the Department will be reflected in shifts of personnel and responsibilities in thousands of minor Agriculture Department offices in Washington and other sections of the country.

Officials said the realignment of administrative and planning agencies would result in no immediate changes in application of the farm program.

"It is imperative that we establish overall planning work for the whole Department in order to provide for proper functioning of the many new activities authorized in recent years by Congress," Secretary Wallace said.

Obtains Farmer Reaction

He announced the changes after a week's tour of Southwestern and Middle Western states in which he personally obtained farmer reaction to the 1938 agriculture program. Cotton growers complained that prices are 25 per cent below a year ago despite the fact that they reduced plantings by seven million acres this year.

Reduced domestic cotton consumption and exports left the United States with a record supply of approximately 25 million bales—more than double the 11,000,000 bales consumed by domestic mills and exported last year.

Wheat growers face a serious problem with a record supply of approximately 1,110,000,000 bushels and prices 50 per cent below a year ago. Secretary Wallace has called for an acreage reduction of nearly 40 per cent for next year.

The subsidy program, designed to finance the export of 100 million bushels of wheat, is developing slowly. Latest reports showed that fewer than 10 million bushels have been exported.

TWO HOOSIERS BEGIN AIR ENDURANCE GRIND

RICHMOND, Ind., Oct. 7.—Bob McDaniels and Russ Morris, both 24, took off this morning in an attempt to break the 103-hour endurance mark for light planes. They set a goal of 400 hours, with a minimum hope of 200 hours in the air.

The plane's gasoline tank capacity is 100 gallons, but there was an additional 35 gallons aboard in cans. The refueling crew consisted of Ernest Weyl, Fred Adelsberger, John Moorman, Howard Quigley and Harry Proctor.

The gasoline will be sent aloft from an auto. A long rope will be dangled from the plane and a hook on the ground end will pick up two-gallon cans, one at a time.

The plane uses three gallons an hour.

FIGHT COSTS UNCLE OF MAX BAER \$2500

DENVER, Oct. 7 (U. P.).—Patrolman Benjamin F. Baer, an uncle to the boxing Baer brothers, Maxie and Buddy, learned today that he must pay \$2500 to F. A. Piper because of injuries he inflicted in a fist fight, the aftermath of an auto accident.

Mr. Piper, who testified that Patrolman Baer had almost as good a right hook as his nephew Maxie, has sought \$7800 for his injured face and feelings. Patrolman Baer said he jabbed only in self defense.
