

MARTIN TO ASK 32-HOUR WEEK IN AUTO PLANTS

U. A. W. Seeks Check-Off
In 20 General Motors
Factories.

WASHINGTON, Oct. 7 (U. P.).—President Homer Martin of the United Automobile Workers' said today the union's executive board will ask automobile manufacturers for a temporary 32-hour week to absorb unemployed workers in the new production season.

Referring specifically to Chrysler Corp. and Kelsey-Hayes plant complaints in Detroit, Mr. Martin said it was the union's "general position that during days of unemployment the general work week should be 32 hours, thus giving employment to more people in the industry and generally spreading purchasing power."

"It would increase employment by 20 per cent and would not cost the corporations any more," he said. "It also would reduce waste and expenditures of the national, state and local governments."

'Why Not Deductions?' U. A. W. Office Asks

DETROIT, Oct. 7 (U. P.).—An attempt to secure a voluntary check-off system in General Motors Corp. plants was started today by the United Automobile Workers Union. U. A. W. headquarters sent cards to members in 20 General Motors plants, and urged the unionists to authorize the check-off by signing the cards and turning them over to company officials.

"General Motors has made deductions by insurance, supplies, welfare, athletics, community chest, Red Cross, and even company unions," Elmer Dowell, director of the General Motors department of the union, said.

"We can see no reason why the company should not take deductions for union dues if their employees voluntarily request the management to do so."

BABY DERBY MOTHER DENIES ARSON GUILT

TORONTO, Ontario, Oct. 7 (U. P.).—Mrs. Martin Kenny, bad-tempered winner of a \$12,900 Toronto maternity marathon, shrilled from her jail cell today that arson charges against her were "lies, all lies."

Mrs. Kenny, short and plump but hard to catch, was arrested yesterday after a 75-yard chase and held in \$3000 bail.

The arrest followed an investigation of the latest of five fires in various houses occupied by the Kenny family. Deputy Fire Marshall Walter McConnell, Investigator Ray Nelson of the Fire Underwriters' Association and three policemen captured Mrs. Kenny near her home.

TWO DIE, EIGHT HURT IN BIRMINGHAM FIRE

BIRMINGHAM, Ala., Oct. 7 (U. P.).—Two persons were burned to death and eight others, two of them babies, seriously injured early today in a fire which swept a three-story frame rooming house here.

The flames trapped 18 sleeping occupants, forcing them to jump from second and third-story windows. The building housed a cafe and dance hall on the first floor.

Puts Guest on Spot at A. F. of L. Parley

An attack on a New Deal agency that wasn't on the program of the A. F. of L. convention in Houston, Tex., is shown here. At the microphone is a delegate, C. A. Weaver, criticizing use of Social Security funds by the Government. In the center is Arthur J. Altmeyer, Social Security Board chairman.

INDIANA MAKES 257 PWA BIDS

Total Grants of \$27,000,000
Requested by State
Subdivisions.

Indiana governmental units have filed 257 requests for grants amounting to \$27,538,734.18 under the new 1938 PWA program, Federal officials reported today.

Loans of \$1,857,609.91 also were

sought. It was reported that, up to Sept. 30, President Roosevelt had approved 216 grants, amounting to \$23,711,089 and two loans and grants totaling \$344,000 for Indiana.

On the closing day for applications, Sept. 30, Indiana filed 12 new requests for school, sewer, waterworks, paving and municipal building projects. Thirty PWA projects now are under construction in this State.

Next deadline on the PWA 1938 program is Jan. 1, 1939, by which time all projects for which grants have been approved must be under construction to qualify under terms of the act.

State officials now are seeking to get their eleven-million-dollar institutions building program, 45 per

cent of which is being financed by PWA, into construction before the first of the year.

BROWN COUNTY DEDICATION SET

Bean Blossom Land Project
To Be Scene of Ceremony Sunday.

Dedication Sunday of the Bean Blossom Land Utilization Project in Brown County will be attended by State and Federal officials and members of conservation clubs, it was announced today.

This 20,000-acre tract southwest of Nashville is one of more than 100 such demonstration areas throughout the United States which are being developed by the Federal Government.

Eventually this area will be turned over to the State Conservation Department for administration. It is being developed as a future recreational area. The Federal Govern-

ment, it is said, is using this project to show how soil problems resulting from improper land use can be solved.

Speakers at the afternoon dedication program will include Dr. C. C. Taylor of the U. S. Department of Agriculture; Governor Townsend; L. E. Sawyer, regional director of the U. S. Bureau of Agricultural Economics; Grover C. Brown, Brown County School Superintendent, and Virgil M. Simmons, State Conservation Department commissioner.
