Everybody's face busts out in a big wide grin when they spy Our Family's Whiskey!

This picture shows us at the Kitten-Fairgrounds handing Larry Burkes a case of Our Family's Whiskey for winning The Wilken Family Sweepstakes—named for us because we put up the prize. Larry all smiles declares this personal recipe of us distillers was the only thing he knew of as easy rolling as that little rig of his. Well Our Family has been sticking to whiskey making this past 50 years, and if you haven't got around to tasting it as yet, don't you forget to, for you're in for an elegant surprise. That's our dog Jessie there—and I just wished you could see her tearing down the home stretch after those little 2 wheelers!
