

MINNESOTA GIVEN EDGE OVER BOILERMAKERS

Williamson Favors Illini In Clash With Hoosiers

Picks Notre Dame to Win Over Georgia Tech; Colonials Expected to Trim Butler Bulldogs.

By P. B. WILLIAMSON

Minnesota will beat or tie with Purdue, Illinois has a straight march over Indiana, Notre Dame should have no trouble with Georgia Tech and Butler will beat to George Washington University, according to the Williamson football predictions for this week's contests involving Hoosier state teams.

Ohio State is favored to defeat or end up even with the visiting Southern Californians, Texas Christian is picked over Temple, Northwestern is given the nod over Drake, Columbia has the odds over the Army and Cornell may win from or tie with Harvard, the Williamson predictions indicate.

Representative football games to be played this week throughout the United States are listed below, with each team's latest rating according to the Williamson National Rating System. Where no rating is given, the record is insufficient for calculating one clearly.

EXPLANATION: Figure after each team is its rating according to the current Williamson Football Rating Table. The figure in parentheses is the possible tie game or close outcome; R. means prediction contrary to ratings; No. 1 team plays at home; X, Friday afternoon; Z, Saturday night.

When the symbol "T" with a number appears in the Predict column, the number indicates the team which is slightly favored, but a very close decision or upset is predicted as possible. A difference of 5 percentage points or less in the ratings of two teams often indicates that they are evenly matched and their game is a toss-up.
