

BUTLER JOINS WITH HOSPITAL ON NEW DEGREE

'Old Gold Day' Featuring Game With Manchester Set at DePauw.

Final arrangements for affiliation of Butler University with Methodist Hospital to enable students to attain a bachelor of science degree and nursing diploma have been made by the State Board of Examination and Registration of Nurses.

The affiliation was the result of negotiations begun last summer by President James W. Butnam, of Butler, Dr. Ray C. Friesner, Dr. G. H. Shadinger and Dr. H. G. Nester.

DePauw to Note 'Old Gold Day'

GREENCASTLE, Oct. 7.—DePauw University's traditional "Old Gold Day," an annual autumn event which brings hundreds of alumni and friends to the campus, will be celebrated Oct. 22. Featuring the week-end program will be the Manchester-DePauw football game. Following the football game, there will be an alumni mixer in the gymnasium. A play will be given the nights of Oct. 21 and 22.

Men Outnumber Women At State Teachers

TERRE HAUTE, Oct. 7.—There are more men in the current freshmen class at Indiana State Teachers College than women, Registrar Harry E. Elder announced today. The cause for the reversal of the usual order is increased emphasis on industrial arts and vocational education, he said. The class of 648 is divided into 361 men and 287 women. The entire enrollment is increased 15 per cent over last year, Mr. Elder said.

TRUSTEES NAMED FOR T. B. HOSPITAL

Members of the Board of Trustees of the new Southern Indiana Tuberculosis Hospital at New Albany were named today by Governor Townsend. They are: Donald DuShane, Republican, Columbus, Ind., superintendent of schools; John F. P. Thurston, Democrat, Summitville, retired farmer; Dr. A. P. Hauss Jr., Democrat, New Albany, and Harley Williams, Republican, Muncie.

The trustees were named for staggering terms. Mr. DuShane will serve four years, Mr. Thurston, three years; Dr. Hauss, two years, and Mr. Williams, one year. A superintendent has not been appointed for the institution, established by enactment of the recent special session of the Legislature.

State Employment Service Prepared to Supply 'Deadmen' or 'Gunmen.'

If you should for any reason require the services of a "deadman" or a "gunman," George Smith, Indianapolis State Employment Service Division director, probably could supply you with one.

For these are among the 9000 occupations listed by the U. S. Employment Service, of which the Indianapolis office is an affiliate.

"Deadmen" actually are very important to the construction industry and "bookmakers" are perfectly legal if they work for a textile plant.

"Gunmen" work on construction, too, but have very little to do, strangely enough, with the "deadmen" of the same industry. Not to be outdone, mining has its "heads-men" and the meat packers have their "scalpers" and "teeth knockers-out," Mr. Smith said.

Mr. Smith also says he can supply "pick-ups, mashers, match-makers and second mates," although he does not mean that he is running a matrimonial bureau. "Pickups" are workers in the clay industry, "mashers" are found in breweries, "match-makers" work in foundries and "second mates" earn their money on boats.

So, too, your best friend may be a "chiseler, a drifter, a moocher or a sponger" and still be a respectable member of society. "Chiselers" work in refineries, "drifters" in steel mills.

MEN LOVE GIRLS WITH PEP

If you are peppy and full of fun, men will invite you to dances and parties. BUT if you are cross, listless and tired, men won't be interested. Men don't like "quiet" girls. When they go to parties they want girls along who are full of pep.

So in case you need a good general system tonic, remember for 3 generations one woman has told another how to go "smiling thru" with Lydia E. Pinkham's Vegetable Compound. It helps build up more physical resistance and thus aids in giving you more pep and lessens distress from female functional disorders. You'll find Pinkham's Compound WORTH TRYING!

'DON'T DESERVE IT,' DYING RICHETTI SAYS

JEFFERSON CITY, Mo., Oct. 7 (U. P.).—Adam Richetti, a professional killer, who, with leveled machine gun, mowed down five men in the Kansas City Union Station massacre of 1933, died in the lethal chamber today, murmuring: "What did I do to deserve this?"

Richetti was one of the most vicious criminals of his generation. When led into the lethal chamber of the Missouri State penitentiary and strapped to the chair, he blubbered, declared his innocence. As the door closed on him, he screamed, and, through the observation window, witnesses saw him cringing in the chair. A few seconds later, white gas plumes rose from beneath him and choked out his life.

TOO MUCH ENTHUSIASM! CLEVELAND, Oct. 7 (U. P.).—Mrs. Hattie Harris asked a divorce today from her husband, Lewis, because "he is obsessed with an unusual amount of religious fervor which caused him to give \$350 to a church."

MARITAL PACIFIER READY OMAHA, Neb., Oct. 7 (U. P.).—Juan Valencia, 28, and Doris Haden, 23, are sure they'll live happily. The couple was married in a radio studio and an electrical transcription was made of the ceremony—including an audible kiss.
