## 14 CITED IN ALLEGED INSURANCE RACKET

ALBANY, Ga., Oct. 7 (U. P.).—Fourteen Hancock County men were indicted by a Federal Grand Jury today on charges of using the mails to defraud in connection with an alleged life insurance racket.

Assistant United States District Attorney Grady Rawls said the practice consisted of obtaining policies on the lives of hopelessly ill illiterates through misrepresentations, paying the premiums until the insured died and then collecting on the policies.

The extent of the racket, he said, could not be determined unless every death in Hancock County "in the last 10 years" was checked.

## Cited in Inquiry

Promising to rival in scope the famed Dewey racket probes is the inquiry into the prosecution of crime and the administration of justice in New York's Borough of Brooklyn, of which Kings County District Attorney William F. Geoghan, above, is the chief target. New York City Commissioner of Investigation William B. Herlands, conducting the inquiry, served 1407 subpoenas on banks and other fiscal institutions to produce all records back to 1933 concerning transactions by Geoghan, forty-four of his assistants and all members of their families.

## EXPANSION GOAL FOR LUTHERANS

Increased Work in South Recommended to 20th Convention.

BALTIMORE, Md., Oct. 7 (U. P.).—President Frederick H. Knubel urged the 20th annual convention of the United Lutheran Church in session here today to expand its promotional work.

Speaking yesterday before approximately 1000 delegates, Dr. Knubel reported on promotional activities undertaken in the past two years and urged their continuation and enlargement.

A special commission which studied church activities among Southern Negroes recommended that the church treasury aid in the

financing of an expanded program of missionary work in the South. The commission recommended that a conference of Southern pastors be called to study a broad program of missionary work among Southern Negroes.

William H. Hager, Lancaster, Pa., presided at a banquet last night for men only to celebrate the church anniversary. James S. Kinard, Newberry College president, was the principal speaker.

Wives and daughters of the clergymen attended a separate dinner. Dr. Knubel, who is from New

Rochelle, N. Y., was re-elected president; Dr. Walton H. Greever of New York was re-elected secretary and E. Clarence Miller, Philadelphia banker, was re-elected treasurer.

## BERLIN EXPECTS LINDBERGH

BERLIN, Oct. 7 (U. P.).—It was reported today that Col. Charles A. Lindbergh would attend a meeting of the Lillenthal Society here next week. Igor Sikorsky, American airplane designer and manufacturer, already has arrived for the meeting.

## MILITARY AIRCRAFT TO JOIN STATE TOUR

Several types of military aircraft will be included among the planes which will start on the Tenth Annual Indiana Air Tour Monday.

Maj. Oliver H. Stout, commanding officer of the 38th Division Aviation, announced today that his division will have military craft with the tour to show residents of the State the types of equipment available in case of national emergency. Capt. J. H. Dulligan, United States

Army instructor, will fly a North American O-47, a late type observation airplane with a speed of more than 200 miles an hour and carrying a crew of three men. As a contrast, one of the older types of observation planes will accompany the tour.

...let others BOIL!

WHEN you buy "Eveready" "Prestone" anti-freeze, you buy all winter protection for your car. "Prestone" anti-freeze is more than just anti-freeze.

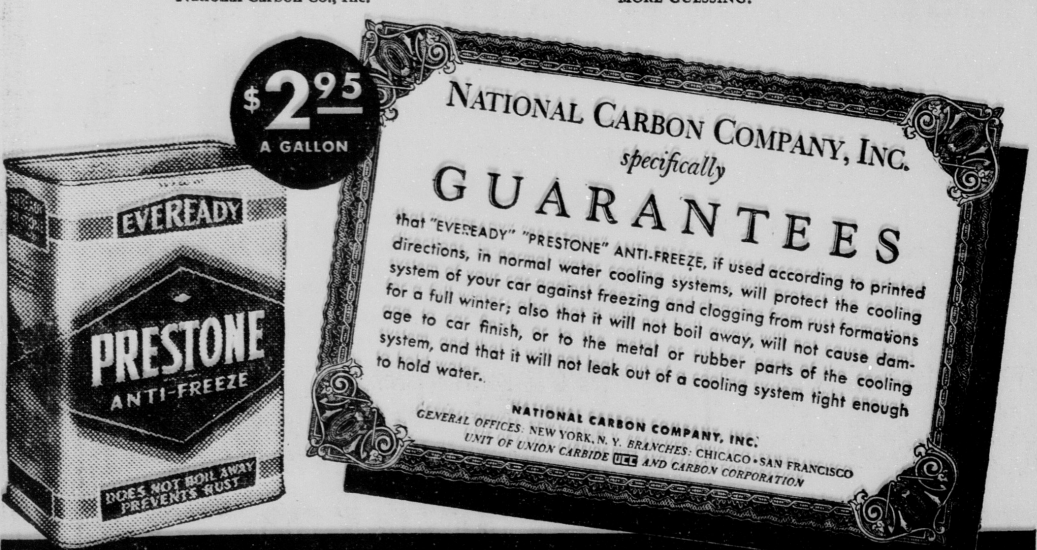

Most any other kind of anti-freeze will guard against freezing . . . until it boils away. But "Prestone" anti-freeze protects your car against engine heat . . . the thief that steals volatile anti-freeze.

Have fun this winter. Cut driving worries. Protect your family, as well as yourself, from freeze-up caused by boil-away. Smile with "Prestone" anti-freeze . . . let others boil!

YEAR AFTER YEAR, more and more "Prestone" anti-freeze has been made and sold, yet demand has outrun production. This winter, we expect there will be enough for everyone, for early in the year tremendous new production facilities went into full-time operation. Still, to be sure, get yours EARLY!

## "EVEREADY" "PRESTONE" ANTI-FREEZE

The words "Eveready" and "Prestone" are trade-marks of National Carbon Co., Inc.

**COSTS MORE BY THE GALLON... LESS BY THE WINTER**

Anti-freeze that boils away on warm days leaves you unprotected for the next cold wave.

Loss of radiator solution causes freezing, stops circulation. This in turn causes overheating which costs motorists millions every year.

Get out of the "Worry Class" this winter. Once you put in "Prestone" anti-freeze, there's NO MORE GUESSING!
