## CONTRACT LET FOR BALLOTS

Indianapolis Printing Co., Only Bidder, Gets Job For \$2210.

A contract for printing 516,927 paper ballots for the Nov. 8 election was awarded today to the Indianapolis Printing Co. by the County Election Commissioners on a bid of \$2210. Only one bid was submitted. These paper ballots will be used in addition to voting machines in all precincts.

Of the total, 231,657 will be printed for School Board candidates. County Election Commissioners yesterday voted to have them printed after the Citizens' School Committee protested an earlier proposal that they be eliminated as an economy measure because the five candidates are unopposed.

Other paper ballots to be used in all City precincts include 267,490 for township candidates. There is no room on the machines for them.

50,000 Extras Ordered  
A total of 50,000 ballots bearing the names of County candidates will be printed for use in case of a breakdown in any of the machines. Also 50,000 City ballots will be printed for emergency use.

No paper ballots will be used in any of the rural precincts. About 5000 sample ballots will be printed for use at the polls.

## TIME MARCHES ON! CLOCK GIVES ALARM

WASHINGTON, Oct. 20 (U. P.).—Time waited today for a burglar.

For two months Myron Fitzhugh's cigar store has been robbed several times between midnight and dawn, apparently by the same man.

His method included the cutting of electric wires, extinguishing the night burglar light inside.

Two policemen on the midnight scout car of No. 1 Precinct noticed after several of the burglaries that the electric clock in front of the store was stopped whenever there was a robbery.

This morning they passed the store at 2:15 a. m., but noted that the store's clock said 2:05.

Bringing the burglar to headquarters, the sergeant observed:

"Time waits for no man except maybe a burglar."

## WHEN PHONELESS, USE THE FIRE BOX

LANSING, Mich., Oct. 20 (U. P.).—Fourteen firemen, two engines and a ladder company answered Clare Harvey's urgent call last night.

"Help! my wife is going to have a baby!"

The Harvey home has no phone. Mr. Harvey, unable to awaken neighbors, ran to the nearest corner and broke a fire box.

Assistant Chief Ross Dibble and his men arrived at the scene and brought Dr. R. J. Cook, who took charge.

The baby, a boy, and his mother are doing fine.
