

## HOBBY MAKES OHIOAN POPCORN CHAMPION

UNIONTOWN, O., Dec. 6 (U.P.)—The hobby of Dr. George Lauby has grown so large that this year it covered 85 acres. Dr. Lauby, known locally as the "Popcorn King," this season harvested more than 240,000 pounds of popcorn. The doctor is a chiropractor by

profession, but his "hobby" requires that three men assist him in curing, shelling and cleaning his crop.

After the corn is picked it is stored for a year in a 75-ton crib to "age." Then the popcorn is taken, shelled, cleaned, sacked and held for another month to season it before marketing. Age does not affect popcorn, Dr. Lauby said, but dry corn must be soaked in water a short time so that it can regain its ability to "pop."

## CONVICT BECOMES ARTIST IN PRISON

JACKSON, Mich., Dec. 6 (U.P.)—Alphonzo Thomas, a self-styled "tough guy" when he entered the Southern Michigan Prison 15 years ago under a life sentence for first degree murder, has been released after he developed into a painter, sculptor and editor. He was 21 years old when he par-

ticipated in an attempted holdup in Detroit which resulted in the killing of a policeman. Prison authorities consider him "a brilliant example of prison rehabilitation."

He edited the prison magazine for six years, developing it from a monthly to a weekly, completed a bronze plaque bust of Governor Murphy and painted pictures which won praise of noted artists throughout Michigan.

## HUNT CAR BELIEVED DRIVEN BY BANDITS

Police today were searching for a black sedan bearing Indiana license plates, believed to be driven by three filling station bandits. The car was said to have been stolen in Vincennes last night and used in a service station holdup there. The

same car was used in a later holdup at Columbus, Ind., police said.

## MURDER TRIAL DELAYED

Trial of George F. Matthews, 55, of M. Landon, Republican presidential candidate in the 1936 American election and a member of the United States delegation to the Pan-American Conference which opens here Friday, has been postponed indefinitely at the request of the defendant. It was scheduled to open to

TUESDAY, DEC. 6, 1938  
in Kansas. It was learned today, it was not known whether he would defer his departure, if the conference work still was going on Dec. 19.
