

Demaret Holds 5-Stroke Lead In Coast Play

Final Round of Los Angeles Open Golf Tourney Under Way.

LOS ANGELES, Jan. 9 (U. P.).—Jimmy Demaret of Houston, Tex., seemed a certain winner today as he started down the rolling fairways of Griffith Park on the final round of the \$5000 Los Angeles open golf tournament five strokes ahead of a select field.

The young Texan began his last 18 holes on the treacherous Wilson course with an aggregate score of 205 and the moral advantage of having stretched his lead when the pressure was tightest. Only E. J. Harrison of Chicago, Harold McSpaden of Winchester, Mass., and Jimmy Thomson of Shawnee, Pa., all tied for second at 210, appeared to hold a slim chance of catching him.

Barring a complete collapse, the 28-year-old veteran is virtually unbeatable. Behind the trio in second position was Mark Fry of Oakland, Cal., with 212, and Lewson Little of San Francisco. Harry Cooper of Pasadena (amateur) with 215; Dick Metz of Chicago, John Revolta of Evansville, Ind., and Eddie Loos of Chicago, with 217; Charles Congdon of Tacoma, Wash., and Emery Zimmerman of Portland, with 218; Les Bolstad of Minneapolis with 219, and Willie Hunter of Santa Monica, Cal., with 220.

STRIKES TO SPARE

Hand should be either wholly behind the ball when it is placed on the alley, or behind and a trifle to the right.

(Twenty-second of a series)

By DON BEATTY
World All-Events Champion
Take care that the hand is not directly over the ball when it is placed on the alley.

It should be either wholly behind the sphere, or behind and a trifle to the right.

If the proper follow-through is carried out, this will cause the ball to turn over... roll from the beginning... give the hook plenty of English.

A short, jerky delivery is not conducive to smooth, easy bowling. It tends to place a ball on the drive that lacks a great deal of the smoothly delivered sphere's working power among the pins.
