

10th Birthday Sale

AYRES DOWNSTAIRS STORE

Tuesday! We Explode a Price Bombshell In this SALE! Figured or Plain BROADLOOM

We purchased 2,175 yards of "Wire-Marked" plain color twist weave and tone-on-tone Broadloom at tremendous reductions from one of the largest manufacturers in the U. S. This is one of the best-wearing types of tone-on-tone WILMINSTER! It has the wearing quality of WILTON and the bright and cheerful colors of AXMINSTER. The plain twist weave is supercurly and will hold its pabby effect and not show footprints. It's also washable. Buy this Broadloom with the confidence that it will give you worlds of service and will SAVE you plenty of money at this Birthday Sale price.

Plain Color Twist Weave

★★ WHAT ARE "WIRE MARKS?"—Wire-marks aren't made by a wire. Wire-mark is a technical trade term for the tiny unevennesses which occur, occasionally, as the sharp knife sweeps to and fro shearing the pile. The irregularities scarcely show, and will not affect wear!
