

# STATE PRAISED BY TOWNSEND AT N. Y. FAIR

\$125,000,000 Industrial Growth in Two-Year Period Described.

NEW YORK, June 1.—More than \$125,000,000 in new industry has been located in Indiana during the last two years, Governor Townsend said here in an address at the Indiana Day Program at the World's Fair today.

Scores of Indiana residents who came here on a special train yesterday and former Hoosiers from all parts of the nation attended the program.

"Hoosiers want the world to think of them as good neighbors and good Americans," the Governor said. "Our people have used the fertile soil and natural resources to develop Indiana so that it might contribute to the general progress of America."

**Hails Sound Structure**  
"Our economy is balanced by steady industrial development. We believe we have the soundest administrative structure of state government in the United States."

"Our State has no debt and Indiana was the first state to completely participate in all phases of the Social Security program. We have pioneered in interstate co-operation, the breaking down of trade barriers in order that we may live in peace and harmony with our neighbors."

"I like to think of Indiana as a good place to live. Apparently this opinion is shared by others for more than \$125,000,000 of new industry has located in Indiana within the last two years," the Governor concluded.

**Ewing Also Speaks**

Oscar R. Ewing, New York lawyer who was born in Greenfield, also spoke. He now is a member of the law firm of Hughes-Richard-Hubbard-Ewing, which was formed by Supreme Court Chief Justice Charles Evans Hughes.

Mr. Ewing pointed out the contributions that Indiana has made in the world of today and those that it is expected to make in the world of tomorrow.

The speaker went back to the beginning of settlement in Indiana and traced the development of the Hoosier state, showing its relation to the development of the cultural and physical aspects of the entire country.

"No matter how far from home her sons and daughters may roam, no matter how distant may be their attachments to their adopted states, always deep down in their hearts is that mystical tie binding them to the one spot on earth which alone can satisfy their hungry souls—Indiana," Mr. Ewing said.

# SIX ARE HURT IN ACCIDENTS HERE

90-Year-Old Woman Falls, Breaks Leg; Baseball Catcher, 13, Hit.

Six persons, ranging in age from 2 to 90, were treated at City Hospital last night for injuries received in accidents.

Miss Audrey Mae Boggs, 20, of 6312 Broadway, was cut on the left leg and arm when she fell off a motorbike rented at an amusement park, police said.

A batter missed the ball and hit the catcher, James Whitman, 13, of 136 W. 19th St., in the head during a baseball game at School 32. The boy's wound required three stitches.

Six-year-old Harriet A. Wood, 1313 Henry St., climbed up on a chair to help herself to a drink of water at the home of relatives at 913 Church St. She fell to the floor and fractured her right shoulder.

Morris Miner, 13, of 1602 Sharon Ave., was chased by a dog and knocked from his bike near his home, police reported. He broke his right arm.

Daniel J. Ferguson, 2, of 3609 N. La Salle St., fell off the back steps at his home and cut his right foot on a broken bottle. He was treated at the hospital and sent home.

## N. Y. Nude Contest Ends With Arrest of Two Girls

NEW YORK, June 1 (U. P.).—The campaign for more and better nudes at the World's Fair was snuffed today after Sheriff Maurice A. Fitzgerald of Queens County ordered four girls off a stage in the Cuban Village and arrested two of them.

The sheriff acted during a contest last night to choose "Miss Nude of the World's Fair 1939" which was being held in the Cuban Village concession. He was in the audience with several deputies.

The girls were taken to the office of the concession, where they were identified as Lois de Fee, 6 foot 2 showgirl who is the queen of the Amazon Village concession; Ann Wilson of the Cavalcade of Centaurs; Marge Berk of the Frozen

Alive show, and Jane Dolores of the Cuban Village. In the office Sheriff Fitzgerald decided that Miss de Fee and Miss Wilson had worn "adequate clothing" and no charges should be made against them.

Miss Berk and Miss Dolores, after putting on clothing, were placed in autos and taken to the World's Fair precinct station house where they were charged with indecent exposure.
