Doors Are Tamped With;
Loot Less Than \$20.

Chief Morrissey announced today he has assigned four additional officers to patrol the downtown area in attempt to halt attempts to burglarize store buildings.

Six doors were tampered with last night, but the loot was less than \$20.

Meanwhile, burglars entered garages of five homes in the 5300 block of Broadway and College Ave.

The door of the Kistner Shoe Store, 39 S. Illinois St., was found broken open about the same time. Cash and desk drawers were ransacked, but nothing taken.

Burglars obtained \$15 in pennies at the Wiseman Clothing Co., 228 W. Washington St.

Unsuccessful attempts were made to "jimmy" the lock at the Sally Frock Store at 34 W. Washington St., it was reported.

The North Side garage burglaries were at 5354 College Ave., flashlight taken; 5350 College Ave., camera equipment valued at \$25; 5345 Broadway, rear-view mirror valued at \$2, and at 5341 and 5317 Broadway, nothing taken.

Officers said they found a raincoat in the vicinity that they believe belonged to one of the prowlers. Fingerprints also were obtained from the looted automobiles.

2 HERE FACE COURT ON TIRE TAX CHARGE

Arrests of truck drivers for failure to have the new tire tax tags were made in nearly every county last night. State Police Superintendent Don F. Silver said today.

Two, arrested in Indianapolis, were to be arraigned in Municipal Court today.

Mr. Silver said he did not have reports from other State Police Districts over the state, but estimated the total would be more than 50.

CLUB AT MANUAL PAYS HONOR TO MISS ARDA KNOX

Members Representing 25
Years of Graduates
In Attendance.

Manual Training High School classes representing a quarter of a century joined last night at the Second Evangelical Reformed Church to pay honor to Miss Arda Knox, founder of the Roines.

Miss Knox, Manual faculty member, who organized the club 25 years ago, sat proudly at the head of the annual banquet while the class of 1914 to the class of 1939 rose in turn to pay tribute to Manual and to the Roines.

Honor members of the club who attended were E. H. K. McComb, Manual principal, J. H. Moore, Fred Schortemeier, E. B. Morrison, K. V. Ammerman, C. B. Dyer, and Sheriff Peeney. Charles Stuart of the class of 1904 was made an honorary member.

Miss Knox Speaks

A. R. Madison, '16, in introducing Mr. Stuart, quoted the new member as saying, "I was always sorry that there was no Roines club when I was in school."

Silver-haired Miss Knox, as honorary guest, was the featured speaker on the program. She recalled many of the hurdles the Roines Club had to cross before becoming firmly established at Manual.

"I think that the Roines was formed by the boys of '14 so that athletics could be resumed at the school," she said. She told of the feud between Shortridge High School and Manual that existed the year before the Roines was formed.

"As I recall it," she said, "there was a football game between the two schools and after the game was over several of the Shortridge students were seen wading out of White River. It has always remained a mystery how they got there, but there was a bridge to cross leaving the field and both teams crossed at the same time."

Competition Halted

This incident brought down the wrath of the school commissioners, according to Miss Knox, and there was no more competitive athletics between the two schools until after the formation of the Roines.

Cecil Byrne, local businessman and Manual graduate, performed feats of magic and demonstrated the art of juggling. He insisted he had learned his accomplishments while attending the classes of Miss Knox.

Other entertainment was provided by William Knipfisch, Harold Light and Allan Smith, all members of the '38 club, who in turn, gave their version of "My Bonnie Lies Over the Ocean," the version resembling remarkably the 1939 swing trend, and "The Three Little Fishes," which was greeted with glee by the class of '14 as well as the recently graduated class of '39.
