Youths Fail in One Attempt, Flee; Get \$6 in Second Snatch.

Two youths, said to be in their late teens, were sought by police today in connection with the robbery of one woman and the attempted robbery of another.

Mrs. Rachel Paul, 1517 Broadway, said two youths struck her while she was walking in 34th St. between Pennsylvania and Illinois Sts., and tried to snatch her purse. They failed, she said, and fled.

An hour later Mrs. Mary Easter, 617 N. East St., reported two youths who answered the same description snatched her purse containing \$6 as she walked in the 300 block of East St.

Welcome To Hoosier Hospitality

To further stress Hoosierdom's well-known hospitality, signs like this one have been erected on main highways at 25 strategic points on the State's borders. Erection of the welcome signs was one of the first activities of the new Division of State Publicity. The division hopes to "sell" Indiana as an ideal location for industries and as offering many vacation lures.

PROBE HOOSIER'S ROBBERY STORY

Valparaiso Metal Dealer Is Jailed; Reports \$10,000 Was Taken

BELVIDERE, Ill., Aug. 22 (U. P.).—Sheriff Perry Bennett announced today that he had jailed Harry S. Fisher, 55, Indiana metal refiner, who had reported that he was robbed of \$10,000 in cash last night by two men and a "drug-crazed blond."

"I've questioned Fisher for several hours and have found discrepancies in his story," Sheriff Bennett said. Mr. Fisher is president of the Fisher Metal Refining Co. of Valparaiso, Ind. He told Sheriff Bennett early today that the men and woman had lured him into Illinois on a pretense of selling him two carloads of scrap brass and copper and robbed him last night on a highway two miles east of Belvidere.

He said one of the men, who identified himself as Ben Wolf of Cleveland, came to his office at Valparaiso a week ago and told him he knew a man who would sell him metal for \$10,000 cash. He agreed to meet Wolf at Rockford, Ill., he said, and yesterday withdrew \$7000 from the Valparaiso State Bank and obtained \$3000 in assorted bills from his wife. He said he drove to Rockford and met Wolf and his two companions at a hotel. The four then left in an auto together, he said.

He said that after the trio had robbed him they threw away his automobile keys and fled in an automobile bearing Ohio license plates, that had followed them from Rockford.

Sheriff Bennett said Mr. Fisher had not been able to describe the second automobile and did not know the color of Ohio license plates. "The robbers were supposed to have taken all of his money," Sheriff Bennett said, "but we found that he was carrying \$200 when we questioned him."

Wife Declines Comment On Sheriff's Action

VALPARAISO, Ind., Aug. 22 (U. P.).—Authorities here awaited the arrival of Sheriff Perry Bennett of Belvidere, Ill., to investigate local angles of the story of Harry S. Fisher, Valparaiso metal refiner, that he was robbed last night of \$10,000 by two men and a woman. Mrs. Fisher declined to comment on her husband's detention in jail by Sheriff Bennett, and asserted that she knew nothing of his withdrawing \$7000 from a bank here as he said.
