

U. S. TO ARRAIGN 3 IN BANK CASE

Fred W. Shideler and Son
In Jail Here, Unable to
Furnish Bond.

Three men will be arraigned in Federal Court tomorrow, charged by a Federal Grand Jury with violating or aiding violations of the National Banking Act.

Those arrested yesterday were Roy O. Hadley, Westfield, former cashier of the United State Bank there; C. C. Golding, Greentown, automobile dealer, and his brother, Cedric L. Golding, Noblesville, automobile dealer, who formerly lived at Carmel. All were released under \$5000 bond.

B. Howard Caughran, assistant District Attorney, said Hadley falsely certified checks on his bank made out by the Goldings. At the time the overdraft was discovered by State bank examiners and Federal Deposit Insurance Corp. examiners, it had reached \$10,000. Mr. Caughran said, but the bank was reimbursed.

Meanwhile, District Attorney Val Nolan announced the indictment of Louis R. Serensky, 6002 Broadway, on a charge of using the mails to defraud. Mr. Serensky, head of the American Cellulose Co., 307 N. Pennsylvania St., is in Ohio.

Mr. Nolan said Mr. Serensky is alleged to have sent circulars through the mails to a number of firms in other cities offering to buy scrap film and materials but that some of those who shipped the materials to him failed to receive their money.

All but 10 of the \$0 indicted by the Grand Jury have been arrested. Fred W. Shideler and his son, William A. Shideler, Indianapolis investment brokers, surrendered yesterday to U. S. Marshal Julius Wisner and were taken to Marion County jail when they were unable to furnish \$7500 bond each. They were indicted on charges of using the mails to defraud and violation of the Federal Securities Act.

MANILA, P. I., Sept. 22 (U. P.).—The Navy planes which left Honolulu Tuesday are expected to reach the Cavite Navy Yard Sunday afternoon, Navy authorities said tonight. There has been no direct word of the fliers since they left Honolulu, but it was believed there were 15 ships in the squadron in charge of Lieut. Comm. Sam Lahache, and that they had stopped at Wake Island, Midway Island and Guam. It was the first time any U. S. war plane flight had been made west of the International Dateline.

BERLIN, Sept. 22 (U. P.).—Western Front reports from German sources as told in Berlin today included: Recently near Strasbourg a hand grenade landed from the French side and exploded with a bang on German soil without damage. A few minutes later the French hoisted a placard bearing the word "pardon." Scarcely a shot has been fired along the entire Rhine frontier between Strasbourg and Switzerland.
