

CLAIMS LEWIS BLOCKS UNITY

Frey Says C. I. O. Head Will
Veto Peace Inconsistent
With Personal Aims.

CINCINNATI, Sept. 25 (U. P.).—President John P. Frey of the Metal Trades Department of the A. F. of L. charged today that labor unity is impossible because John L. Lewis will veto any peace proposal "which does not meet with his personal approval and personal ambitions."

Mr. Frey's report to the Metal Trades Department, assembling one week in advance of the A. F. of L. convention itself, was considered significant since he usually is chairman of the Federation's resolutions committee.

His charge came as the administration was bringing new pressure for peace upon both the A. F. of L. and the C. I. O.

Mr. Frey's report bitterly criticized C. I. O. activities and charged that the C. I. O. and Communist Party were working together to destroy the Federation.

Charges Son Looted Home

A 17-YEAR-OLD boy today was held in Juvenile Detention Home because his father accused him of having ransacked their home for money and firearms.

The father told police his son and a neighbor boy of the same age broke into a strong box.

GASOLINE STATION AND TAVERN ROBBED

Thieves entered a Gulf Service Station at 269 W. 16th St., Saturday and took merchandise valued at \$70, Art Dest, 2753 Central Ave., attendant, told police.

Arthur Skidmore, 1702 English Ave., told police someone entered a tavern he owns at 1541 Shelby St., some time yesterday and took \$28 in cash.

A purse containing \$20 cash and personal property valued at \$70 was taken from the room of Paul H. Moore, 5821 Bellefontaine St., he reported to police.
