Federation of Clubs Council Hears Talk by Katrina Haramy, Jerusalem, at Winter Parley

Preliminary plans for the Indiana Federation of Clubs part in the General Federation Council meeting the week of May 19 at the Hotel Schroder in Milwaukee, were discussed at a state meeting this morning in the Claypool Hotel. Mrs. George W. Jaqua, Winchester, state president, presided.

Several Indiana federation members plan to attend the meeting in May. Announcement was made of a forum on public affairs to be sponsored by the Illinois Federation of Clubs March 1 and 2 in the Palmer House in Chicago.

At an executive board meeting yesterday, statements of policy of the General Federation, accepted at a recent meeting of the national organization board were reviewed and approved. The state board approved continuance of the Dies Investigating Committee. The board also approved the educational work of the music association committee. The statements of policy, approved yesterday, probably will be the background for resolutions to be presented at the state convention in June.

Policy Is Outlined

It is the federation's responsibility, according to the policy outline, to help overcome the enemies of democracy—fear, prejudice and hate—and to create an intelligent and courageous public opinion which will strengthen the forces of democracy so that no opportunity may be lost by our Government to assist in securing a just settlement of the present conflict.

Another policy statement was for the continuance of the reciprocal trade agreements program in its present form and the dedication of the American home department of the federation to a mission of education, inspiration and guidance.

Mrs. Oscar A. Ahlgren, Whiting, first vice president, met yesterday with department chairmen and Mrs. W. D. Keenan, second vice president, met with district heads. Both groups joined for a luncheon followed by a discussion by Mrs. W. S. Blittner, Indiana University, on conducting forums.

Jaqua, Winchester, state president, reported that while in Washington attending the general federation board meeting she again had asked the board to hold its 1942 council meeting in Indianapolis. The invitation was extended last year.
