

16 INSTITUTIONS TO HOLD OPEN HOUSE IN MAY

State Units Will Dedicate New Buildings and Entertain Visitors.

Sixteen Indiana State institutions will hold open house May 12 to 18, Thurman A. Gottschalk, supervisor, announced today.

Mr. Gottschalk said that Governor M. Clifford Townsend has designated the week of May 12 as "State Institution Week" and that each institution is making arrangements for special events to entertain visitors during that time.

The \$10,000,000 institutional building program begun in 1937 now is almost completed and practically all the new buildings will be made ready for use by May.

Dedications Planned

Mr. Gottschalk said that one purpose of the open house is to give Indiana citizens an opportunity to see improvements which have been made. A number of the institutions are planning to hold special dedicatory services for new buildings during the week.

Five of the state's 21 institutions will not participate. The new Southern Indiana Tuberculosis Hospital near New Albany is not completed and Mr. Gottschalk said the four correctional institutions for adults—Michigan City Prison, Pendleton Reformatory, the State Farm at Putnamville and the Woman's Prison here—for "obvious reasons" could not take part in an open house.

The staff of the Muscatatuck Colony for the feeble-minded at Butlerville is making preparations for the dedication of about 20 new buildings there. Capacity of the institution has been raised from about 600 to almost 1500.

New Buildings Ready

The Logansport State Hospital has a new main building, two new ward buildings, a personnel building and a bakery. At Richmond there are a new hospital and a new recreation building.

Central State Hospital has new cottage-type structures and has been extensively repaired.

At the New Castle Village for Epileptics there are new male infirmary and administration buildings. The Knightstown Soldiers and Sailors Children's Home has a new service building.

The Soldiers' Home at Lafayette has a new greenhouse, a gift in the will of a former member of the home.

Boys' School Enlarged

At the Boys' School at Plainfield three double cottages, one single cottage and a power plant have been added. There is a new chapel and recreation building at the Girls' School near Clermont.

The children's building at the Rockville Tuberculosis Sanatorium has been remodeled and additions made to the administration building.

Other institutions which will participate in the open house are the State Schools for the Blind and the Deaf here, the School for Feeble Minded at Ft. Wayne, the Industrial School for the Blind here, and the mental hospitals at Madison and Evansville.

'Three Graces'

Botticelli's "The Three Graces" is the design for this three-cent stamp to be sold here beginning April 16. It is to commemorate the 50th anniversary of the founding of the Pan-American Union, and will be sold first at Washington, D. C., on Sunday, April 14.

DOG MEETS TRAIN; TAKES PAPER HOME

CHESTER, Mass., March 21 (U. P.).—Shortly after dusk every night, the Eastern States Limited roars through Chester—and every night it is met by a dog which brings a Boston paper home to its master. U. S. Boyer, dogman of the Boston & Albany railroad, ties a flashlight around the neck of his 2-year-old springer, Kota Chief, so the trainmen will know where to throw the paper. The dog picks up the paper as soon as it strikes the field along the tracks and trots away to his master's distant farmhouse.

MONEY-BACK GLAND TABLET

Restores Vigorous Health

We guarantee to bring you back to health and happiness or we refund every cent. That's how sure we are that we have the best gland tablet known. Thousands of tests have proved this to our full satisfaction. Now WITHOUT RISK you can prove it to yours.

Glendage in convenient tablet form is considered the best in modern science. It contains the extracts from the glands of healthy animals, and its purpose is to stimulate all the glands to healthy activity. The effect is astonishing, almost magical. The entire body takes on a normal condition. Vigorous health is necessary for success in all activity today.

Autism, Diabetes, Rheumatism, Constant Tiredness, Low Blood Pressure, Nervousness, etc., are ailments frequently caused by gland disorders. You owe it to yourself and family to try this new gland tablet. Glendage is healthy, unlike others; it is a real gland product and carries an unlimited Money Back satisfaction. 30-day treatment, \$2.89 at Hook's Dependable Drug Stores.

PENNY'S PENNIES PAY FOR 3D PENNY

BIRMINGHAM, Ala., March 21 (U. P.).—The C. T. Pennys of Birmingham still have their penny bank but it's empty.

All last year the Pennys put the pennies left over from groceries, gasoline, street car fare and cigars in a penny bank.

This was all in anticipation of the third Penny which arrived the other day.

Southerners 'Fall' for City Despite the--er-- Smog

Page the Chamber of Commerce! At least one couple from the Sunny South believes Indianapolis a pleasant vacation spot despite an occasional smog.

Mr. and Mrs. Charles Allen of Charleston, S. C., are in Indianapolis visiting relatives and resting from the cares and long hours of their Charleston restaurant.

The Allens enjoyed their scheduled vacation so much they decided to extend it indefinitely. They went

to the local field office of the Indiana State Employment Service for assistance in locating a couple to take over the responsibilities of managing the restaurant.

At the employment office, Mr. Allen said he would like to find a couple with the man having experience as a cashier and the woman having skill as a cook.

He found such a couple, Mr. and Mrs. Ralph Sperow, 2533 Carrollton Ave., but the experience was re-

versed. Mr. Sperow was the chef—he used to cook at the Sigma Alpha Epsilon Fraternity at Purdue University. Mrs. Sperow knew thoroughly the ins and outs of food control and management.

Today the Sperows are in Charleston, along with Miss Beulah Hale, an Indianapolis waitress hired by Mr. Allen to assist them. Miss Hale, like the Sperows, considers the grass greener in Carolina.

The Allens are in Indianapolis to stay awhile. They already have aided the city by decreasing by three the unemployment load.

MOTHER, SON WIN AT GOLF NEW BRITAIN, Conn., March 21 (U. P.).—It's not always "like father, like son." Mrs. F. William Berry and her son, William, won first place in a mixed Scotch foursome of the Stanley Golf Club to dispute the old adage.

SMITH'S ANVIL STOLEN SAN JOSE, Cal., March 21 (U. P.).—Police are looking for a strong-arm burglar. He stole a blacksmith's anvil belonging to Clem Columbet. There were no indications that it had been carried off otherwise than by hand.
