

HOOSIERS IN WASHINGTON— M'NUTT GROUP IS CONFIDENT OF 'STRONG FINISH'

Hope in Presidential Race
Based on Candidate's
Past Performance.

By DANIEL M. KIDNEY
Times Special Writer

WASHINGTON, April 13.—Although neither newspapermen nor politicians in Washington today believe that Indiana's entry in the presidential race has lived up to the promise shown in the early winter books, Paul V. McNutt's friends still are hopeful.

That hope largely is based on past performance. They contend that their white-maned thoroughbred is a mudder and can run best when the going gets rough and slippery.

If such is the case, they have one consolation—there is no lack of mud. Never in recent campaign history has a potential presidential candidate been so smeared. And the silent fanfare of the Treasury's tax investigation has been no help either.

Talk of Second Place

There is talk here that the former Hoosier Governor might be taken for second place on the ticket with either President Roosevelt or Secretary of State Cordell Hull.

But the political bookmakers are pointing out that if the Administration men had any notion of his being in the race they would see that he promptly got rid of some of the weight he now is carrying.

Treasury Secretary Morgenthau plainly indicates that his outfit is in no haste to unload.

The more optimistic of the McNutt men here explain all this by saying that Mr. McNutt never was a Washington favorite, in the sense of having outstanding support here. They point with pride to his second choice delegates in various states, which have been rounded up by the ubiquitous Frank M. McHale, and contend that it is silly to say that he has been scratched.

Cite Recent Reception

Democrats in Milwaukee and Minneapolis gave him a rousing welcome only this week, they declare.

The fact that his rousing New Deal speeches get little notice in the press either here or in New York City, they attribute to the bad news judgment of the men who make the newspapers.

Since it has been spread abroad that Mr. McNutt will come out for universal old-age pensions time soon, he undoubtedly has gained some ground with the Townsend planners and their various offshoots.

The General Welfare News-Advocate, official organ of the General Welfare Federation, which is sponsoring a universal old-age pension bill (H. R. 5620), gave him page one with a picture in the issue for April 8.

Headlines read: "McNutt Drifts Toward G.W.A. Advocates Floor Under Pensions, and Equality. They're All American Citizens' He States."

The text consisted of Mr. McNutt's New York City speech, which he delivered instead of a rescheduled one in which he was coming out for a universal old-age pension plan.

Speech Being Held

Since the speech was delivered before the National Industrial Conference Board at the Waldorf-Astoria, March 28, the Federal Security Administrator decided at the last minute that it was not the time nor place for his original manuscript.

He has it on ice, but may bring it out shortly, it is predicted here.

That canny Emporia Editor, William Allen White, anticipated such a swing in writing of Mr. McNutt in the spring number of The Year Review.

McNutt, youngest of the Democratic candidates I am mentioning, may go a long way to the Left before he turns his corner."

Reps. Forest A. Harness, Noble J. Johnson, Gerald W. Landis and Raymond S. Springer, Republicans, and Eugene B. Crowe, Democrat, are enjoying the annual chicken-blessing festival in Washington more than the other six Indiana Congressmen. They have no primary opposition.

G. O. P. House leaders are at a loss to understand why Rep. Charles A. Halleck, dean of the Hoosier publicans and rated as one of the most able and distinguished men on the minority side, should have to contest his seat.

Rep. Halleck is among the two or three being mentioned for the leadership of the House in the next Congress.

Rep. Louis Ludlow thinks that the Fraternity Order of Eagles are about the smartest birds in the business of sighting future social trends.

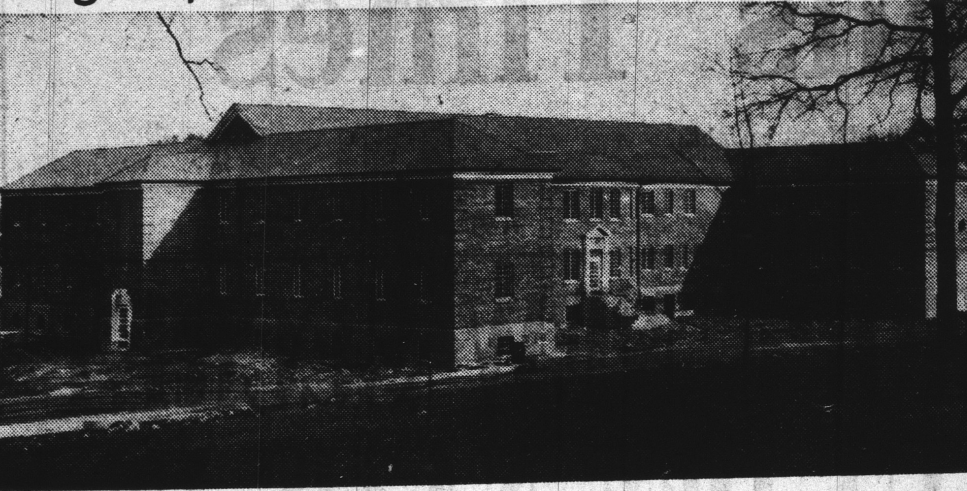

The Indianapolis Congressman this week inserted into the Congressional Record an article written by Frank E. Hering, South Bend, editor of the Eagles' magazine. In the article Mr. Hering advocated taxing machines to support the victims of technological unemployment.

Such a plan also was advocated by Senator Joseph C. O'Mahoney (D. Wyo.). TNEC chairman, recently. Calling attention to this, Rep. Ludlow pointed out that the Eagles' magazine piece appeared in March, 1938.

Introducing it, Rep. Ludlow wrote: "The vision manifested by the Fraternity Order of Eagles in respect to governmental and social trends has been almost uncanny in its accuracy. This great order was many jumps ahead of any other group in America in respect to the inevitability of old-age pensions—so much so that it may rightfully be called the sponsor of the old-age pension movement in America."

BABY SNOOKS' DADDY' WEDS
HOLLYWOOD, April 13 (U. P.).—Handy Stafford, 35, British actor and radio "daddy" of Baby Snooks, was honeymooning today with his 21-year-old actress bride, Viola Vonn. Fannie Brice, who plays Baby Snooks, was a guest at the wedding.

Logansport Hospital Ward Completed

The new women's ward building at the Logansport State Hospital has been completed and awaits equipment before its dedication May 13, as a part of the open house program in state institutions that week. The building will increase the capacity of the Logansport hospital by 160 beds.

Re-Elect Vandivier G. O. P. County Head, Denny Urges

Carl Vandivier is striving to unify all elements of the Marion County G. O. P. and has no desire to be "boss," George L. Denny, Indianapolis attorney, declared last night in urging Mr. Vandivier's re-election as G. O. P. county chairman.

Speaking at the First Ward Republican Club at 25th and Station Sts., Mr. Denny declared that the chairman should be retained "to permit him to enjoy the party victory which we are determined upon this year."

"The group that is opposing his re-election will have, and has now, an anti-organization state," Mr. Denny declared. "As a practical matter, there will have to be an organization state, but it will not be Mr. Vandivier's personal state."

"Above all, it will represent what they believe will be the ticket most acceptable to Republican voters of all classes."

Interested in Party Success

"I believe Carl Vandivier is primarily interested in the success of the party of which he is the present leader, rather than in retaining the office of county chairman. I am sure that he is trying to unify and harmonize all elements of the party and that when he is re-elected county chairman will bear no grudges against those who may have opposed his re-election."

Mr. Denny declared that "the

OWENS ASSAILS CROP CONTROL

Likens Government Contests
To Plebiscites in
Hitler Regime.

The average farmer has no alternative except to vote for continued controlled production, Ernest E. Owens, Republican candidate for Congress from the 12th District, said at a G. O. P. meeting last night at 655 W. Washington St.

The farmer "cannot resist against an avalanche of Government propaganda," he said. "These so-called 'plebiscites' are much like Hitler's plebiscites."

"Above all," let's avoid bitterness in these primary contests. We can have honest differences as to the merits of candidates for office and of party leaders without making faces and calling names at each other. It is no time for poison squads in the Republican Party to attempt to malign other Republicans. We have a job to do in November and when we lay the foundation for that job next month, let us lay it well."

Referring to state and national politics, Mr. Denny said that Indiana Republicans "are aroused by a lot of things, but especially by this subversive of Paul McNutt and the Democratic State House gang to the President."

He added that a Democratic friend has asserted that the former Governor "... has no principles he would be willing to perish for."

Charges Germans Tricked Norway

PARIS, April 13 (U. P.).—German soldiers disguised as traveling salesmen swarmed into Norway for a week before the Nazi invasion, Baroness de La Chaise, wife of a French manufacturer, charged on returning from Oslo.

"I have never seen such duplicity," she said. "Every port for weeks had been filled with German merchant ships which concealed troops."

"Every commercial traveler—and there had been waves of them—was a spy or a soldier who was suddenly transformed into the service of the invader."

Scout Troop 83 Will Visit Cincinnati Group's Camp

Members of Boy Scout Troop 83 will take their second overnight hike of the 1940 camping program next Saturday and Sunday, going to the 42-acre Camp Edgar Friedlander of the Cincinnati Scouts Council.

It will be the first time the troop has left the State on a hike. On Sunday afternoon the Scouts will visit the Cincinnati zoo and attend a broadcast at WLW.

Adults who will furnish cars to transport the Scouts are Scoutmaster Arthur J. Williams, Delbert O. Wilmet, Howard Sutherland, John Knox, Claude McLean, John Smead, Joseph Polenzon, Ernest Lindenberg, Arthur P. Holt, Arthur F. G. Gemmer and Scoutmaster John Gavin of Troop 67. Phil Catto will furnish a truck to haul the baggage.

The Troop's seven patrols are engaged in a contest, the winner of which will be taken on a hike to a state park. The second-place winner will be given a theater party.

'All's Quiet' on The Home Front

CHICAGO, April 13 (U. P.).—"All quiet" and "No special events" is the way the communiques from the Maginot and Siegfried Lines read—and that's the status too in a small apartment where Winnie and Walter Ludwig Krueger live.

Winnie's brother, Edward Tinsley, 27, is "somewhere in the Maginot Line" with the British forces.

Walter's brother, Heinz, 30, is "somewhere in the Siegfried Line" with the Germans.

Winnie and Walter are Americans by naturalization but they have their arguments.

"Generally we try to steer clear of war talk because my husband believes Germany is in the right and I think England is in the right and harmony and friendship."

CROWDING OF AUTO ROADS DESCRIBED

FRENCH LICK, Ind., April 13 (U. P.).—The 1940 motorist has less than half the road space that his 1930 brother had, Illinois Road Builders Association officials, in convention here, were informed today.

Results of a nation-wide survey on driving were pointed out to the officials. The survey showed:

Gasoline consumption doubled in the last 10 years; average use of automobiles increased with gas consumption jumping from 560 gallons per car in 1930 to 700 in 1939.

The number of cars increased 17 per cent and the total annual appropriations for highway purposes decreased slightly.

And, the officials continued, "projecting this into the future shows the possibility of our having millions of cars and no roads on which to drive them."

FORMER WIFE OF ACTOR FOUND DEAD

NEW YORK, April 13 (U. P.).—Helen Derby Meredith, former wife of the actor, Burgess Meredith, was found dead in her basement apartment today, apparently a suicide by gas.

Mrs. Meredith wrote a will on a kitchen memo pad before opening the jets of the stove. As she died she wrote this postscript: "I'm feeling fine except for the fumes."

DRIVE FOR SYMPHONY WILL BE CONTINUED

Workers in the Indianapolis Symphony Orchestra maintenance fund campaign have decided to continue the drive which has terminated its most intensive phase.

At the final report meeting yesterday, 175 campaigners agreed to continue solicitations until the goal for the next two seasons' maintenance fund budget had been achieved.

The intensive campaign was begun by approximately 250 volunteer workers on March 25, and ended yesterday.

Percentage of the goal already subscribed will be made public when pledges have been allocated to the years for which they are subscribed. The symphony orchestra office stated today.

Indiana Politics— G. O. P. INSISTS 2% CLUB SHOULD PAY GROSS TAX

Demand to Be Included
In Future Speeches,
Leaders Say.

Republican strategists today laid the groundwork for an entirely new blast at the Democratic Two Per Cent Club.

They said they will demand that the club pay Indiana Gross Income Taxes on all receipts for the last seven years.

"If the Federal Treasury collects income taxes from the Club's receipts, we will demand that State taxes be paid, too, because the receipts are the Federal law," declared Richard James, deputy Secretary of State, who is a Fourth District G. O. P. leader.

U. S. Action Reported

The U. S. Treasury is said to be preparing a report in Washington showing alleged "tax deficiencies" in Two Per Cent Club funds involving more than \$250,000.

The State Gross Income Tax Law reads that taxes must be paid on "all receipts whatsoever."

"I am against any plan that involves individual regulation of every individual farm," Mr. Owens said. "Any good that might come from such a system is counterbalanced by the loss of liberty and freedom which is the very cornerstone of this Republic."

He assailed price-fixing and the corn loan program, and promised if nominated and elected, to "sit down with the farmers and work out solutions of their problems which will work, emergency or no emergency."

Collins Urges Plank
To 'Save Constitution'

"Save the Constitution" should be the first plank in any Republican platform for 1940, James A. Collins, former Criminal Court judge and G. O. P. candidate for Congress from the 12th District, said last night.

Speaking before a group of party workers at 2424 Shriver Ave., Mr. Collins urged that plank in reply to a Democratic Presidential candidate's recent charge that "the Republicans have no platform."

He charged that in 1932 the Democrats adopted a platform under the Constitution, but put it aside and substituted 12 planks from the Socialist platform upon which to base New Deal legislation.

The statement charged that Mr. Capenah, a wealthy manufacturer who has financed several Republican spectacles, as a "renegade Democrat."

"Donations apparently were not coming in fast enough for the Jen. Committee's editorial stated. 'The swash of cash strewn to the four winds by the Hillis dog boys supporters of Glenn R. Hillis for Governor was bogging down the Jen. committee mired in Hillis money. Hence Homer was lassoed.'"

The statement charged that Mr. Capenah was registered as a Democrat in Erie County, New York, before coming to Indiana in 1937. Two years ago the manufacturer financed a huge Republican rally on his farm in Daviess County.

Two Per Cent Club Inquiry Promised

A promise to "ferret out and bring to light" the activities of the Two Per Cent Club was made by Russell Richardson, Republican candidate for Prosecutor, to party workers at 25th and Station Sts. last night.

Repeating that the office of Prosecutor can be used for "great good to cover up the political sins of a predatory gang," he questioned why "every prosecuting attorney since 1933 failed to compel compliance with the Corrupt Practices Act."

The real issue before the G. O. P., Mr. Richardson said, "is simply one of honesty and decency in government. It has made the office of Marion County Prosecutor stand out as the office in which the public must take great interest or forever lose the self-respect of the great State of Indiana."

Urges Two Per Cent Gross Tax Checkup

RICHMOND, Ind., April 13.—"If a Federal deficiency tax is to be charged against the Two Per Cent Club, then it should also be charged against the Gross Income Tax," declared a State Republican leader in an address here last night.

He referred to Washington reports that the U. S. Treasury was preparing a "deficiency list" against the Two Per Cent Club officers.

"One question Hoosiers are entitled to have answered is whether officers of the Two Per Cent Club have paid Gross Income taxes on the club's receipts," he said. "As the club's receipts are exempt from the 1939 Federal tax of 1 per cent must be paid on 'all receipts from any source whatsoever.'"

TRUCKMEN CAPTURE LIQUOR HIJACKER

COLUMBUS, O., April 13 (U. P.).—After a mile and a half chase over Columbus' icy streets early today, Vern Burbridge and Grant Black of South Bend, Ind., caught a man who had stolen their truck carrying a \$2500 rum cargo consigned to the Ohio Liquor Control Department.

Mr. Burbridge and Mr. Black left New York Tuesday with a shipment of 1800 cases of beer and 1000 cases of wine. They made their deliveries in Toledo and Cleveland and parked the truck here today while they ate.

DIES HOUR FOLLOWING FALL BENEATH TRAIN

Robert Gilbert, 48, of 570 W. Wilkins St., an employee of the Pennsylvania Railroad, died in the City Hospital yesterday an hour after he fell under the wheels of moving coal cars at Warman Ave. and the Pennsylvania Railroad coal docks.

Owen Garnett, 1822 Cornell Ave., another employee working with Mr. Gilbert, told police they were on the top of the cars to set the brakes, when Mr. Gilbert lost his footing.

CIRCLING THE CITY

Retired Rail Group to Meet—Indiana Chapter 2 of the International Retired Railroad Employees and Railway Postal Clerks will hold its regular meeting at 2 p. m. Monday on the ninth floor of the Big Four office building.

Becomes 13 On 13th—If Pauline Farr, 1880 Singleton St., were superstitious, she would have a rather uncomfortable time of it today. Today is her 13th birthday. That's not so bad, but it also happens that today is April 13. That makes it a little more complicated. So does the fact that she is an honor student at School 31 (13 backward, get it?) Pauline, the daughter of Mr. and Mrs. John Farr, was to give a party today for some of her schoolmates.

Democratic Club to Give Dance—The Center Township Outside Democratic Club will sponsor a dance at the Chatterbox Ballroom next Saturday night. Jesse Goodwin is chairman and will be assisted by Amos Stevens, O. C. Stelgerwald and Jack Walton. Bob Hennis and his orchestra will play.

Teachers to Meet April 20—The Indiana Council of Teachers of Mathematics will hold its annual meeting at 9:45 a. m. April 20 in the World War Memorial auditorium. Frank Ross will preside. Dorothy Rucker is council secretary.

Patrick J. Smith to Speak—Patrick J. Smith, Indianapolis attorney, will speak on "The Art of Public Speaking" at the luncheon of the alumni chapter of Sigma Delta Kappa, legal fraternity, Monday noon at the Canary Cottage. Members of the fraternity who are candidates for public office will be invited to tell "what the country needs besides Tom Marshall's famous 5-cent cigar."

Robinson to Address Club—A talk by Dr. Daniel S. Robinson, president of Butler University at a banquet at 6 p. m. at the Central "Y" tonight will end the meeting of approximately 75 persons who are guests today of the Indianapolis Y's Men's Club. Registration was held at the Richmond and Lawrence Koehring, Richmond, Ind., central regional director, presided at the luncheon.

League to Note Anniversary—The Young People's League of the Zion Evangelical and Reformed Church, Post Road and Troy Ave., will celebrate its 45th anniversary with a banquet at the church next Saturday at 6:45 a. m. Past presidents will be special guests.

Prison Exhibit Arranged—Indiana University will sponsor an exhibit of work done by the inmates of Michigan City Penitentiary April 15 at Lyman Brothers on Monument Circle. It is believed that this is the first exhibit of this type to be held in the country.

Dues Boost Rumored

Four clerks in one State office that is directly under the patronage control of the Governor's office said they were in arrears in their dues more than three months.

Dropping revenues, together with the possibility that heavy Federal taxes may have to be paid, has led to rumors of an impending boost in the dues to four or five per cent of the Club deny this, however.

The State Democratic Committee, in an editorial released today, made several sarcastic remarks about Homer E. Capenah's recent acceptance of the chairmanship of an organization to sponsor the campaign of William E. Jenner, of Shoals, for the G. O. P. gubernatorial nomination.

The editorial referred to Mr. Capenah, a wealthy manufacturer who has financed several Republican spectacles, as a "renegade Democrat."

"Donations apparently were not coming in fast enough for the Jen. Committee's editorial stated. 'The swash of cash strewn to the four winds by the Hillis dog boys supporters of Glenn R. Hillis for Governor was bogging down the Jen. committee mired in Hillis money. Hence Homer was lassoed.'"

Urges Two Per Cent Gross Tax Checkup

RICHMOND, Ind., April 13.—"If a Federal deficiency tax is to be charged against the Two Per Cent Club, then it should also be charged against the Gross Income Tax," declared a State Republican leader in an address here last night.

20 MAN 'WINNING' IN DEATH CONFESSIONS

ROCHESTER, Minn., April 13 (U. P.).—Detectives from Ft. Wayne, Ind., holding confessions of two men for the same murder, left for Ft. Wayne last night with Anson Hafer, 28, Indiana ex-convict whose confession they believed indicated he was the slayer.

Meanwhile, Ft. Wayne police held Clyde White, 32, implicated in the slaying of Asbury Bunting, 60, Ft. Wayne filling station attendant, by the confession of Hafer.

Arrested in Rochester as a robbery suspect, Hafer readily confessed the robbery-slavery in Ft. Wayne March 6, Indiana detectives, however, doubted his story at first because they already had a confession, obtained from Ralph Williams, 22, on March 31.

After grilling Hafer, Detective Horace W. Smith said the ex-convict showed more "detailed knowledge" of the crime than Williams and that he was inclined to believe Hafer and discredit Williams' confession.

As a result of the second confession, Ft. Wayne police arrested White as an accomplice of Hafer's. Smith said Hafer served several years in the Indiana Reformatory at Pendleton for robbery and grand larceny.

up public psychology and reactions, are afraid that, in a critical time, the people would turn, when it came up to the election, from so young and untried a candidate.

Can Taft Stop Dewey?

With Senator Vandenberg outdistanced by Mr. Dewey in two Midwestern states, the "stop Dewey" movement now is centering about Senator Taft of Ohio. Mr. Taft has no counts against him through such popular tests as Senator Vandenberg dared in Wisconsin and Nebraska, and is not likely to go into any of the remaining primaries, though the Dewey forces would like to lure him into a trial of strength with the voters.

Herbert Hoover, it was learned today, probably will line up with Senator Taft. What the titular leader of the party, Alfred M. Landon, will do, he has not yet indicated clearly, though he struck out recently at the Eastern G. O. P. group symbolized in the Pennsylvania tri-umvirate, Joseph N. Pew, Ernest T. Weir and Joseph R. Grundy, which is expected to back Senator Taft in a showdown with Mr. Dewey.

Ikies Gives 'Solution'

The general argument of the New Dealers in connection with the New York and the third-term movement was laid down by Secretary Ikies in a speech to the so-called Southern Policy Committee.

Speaking to a group of about 50, Mr. Ikies sketched the present critical international situation today and said the country could not afford to have in the White House such an inexperienced man as Mr. Dewey.

Therefore, in order to be sure to defeat Mr. Dewey, the Democrats, Mr. Ikies said, must renominate President Roosevelt.

FOUR INJURED IN 2 TRAFFIC ACCIDENTS

Slippery pavements were held responsible today for three accidents in Indianapolis and vicinity in which four persons were injured.

Noel C. Neal of Noblesville, former Indiana Appellate Court judge, and C. Oliver Holmes of Rockville, former State Senator, were reported in "fair" condition at Methodist Hospital after an accident on Road 40 near Bridgeport last night.

A car driven by Kenneth Lea Sidons, 16, of Greencastle, skidded on icy pavement and crashed into their automobile, according to Police. The accident occurred less than a mile east of Bridgeport, near the Pennsylvania Railroad viaduct. Mr. Holmes has a chest injury, hospital officials said, and Mr. Neal has a head abrasion.

Five other boys, all of high school age, were ridden on the sidewalks of the city. They were taken to Methodist Hospital. John McAnally is in "fair" condition and the others, Robert Holt, Mark Kocher, William Kocher and Robert Matthews, all of Greencastle, were treated.

Clarence Denny, 30, of 530 Udel St., received a broken nose and two broken ribs when his automobile crashed into a tree yesterday in the 1400 block on Arsenal Ave. He is at Methodist Hospital.
