Helm's Aid Gets Registrar Post

MISS GRACE BLANKENSHIP has been appointed registrar of the Indiana University School of Medicine in Indianapolis, it was announced today by President Herman Wells.

Miss Blankenship succeeds Mark Helm, who was retired July 1 under university faculty age rules. She has been his assistant for the last three years and for 13 years prior to that was secretary to Merle N. A. Walker, former Marion County Probate Court Judge and an Indianapolis attorney.

Miss Blankenship lives with her mother, Mrs. Ora Blankenship, at 229 College Ave. Dean W. D. Catch of the Indianapolis campus said he was gratified that a person trained to the work had been appointed to succeed Mr. Helm.

DIMOCK HINTED FOR NLRB POST

Former Second Assistant in Labor Department May Succeed Madden.

WASHINGTON, Aug. 2.—Marshall E. Dimock, former Second Assistant Secretary of Labor, was regularly reported today to be in line for appointment to the National Labor Relations Board.

He would succeed Chairman J. Warren Madden, whose five-year term expires Aug. 27. The American Federation of Labor is among the organizations opposing a reappointment to Mr. Madden. Plans are being made, it is understood, to transfer Mr. Madden to another job.

Last month Mr. Dimock was appointed administrative assistant in the Immigration and Naturalization Service. Whether he would succeed Mr. Madden as chairman or whether Board Member William M. Leiserson would be moved up to the chairmanship, apparently has not been decided.

Mr. Dimock is an expert on administration, and it is a widely held opinion that the NLRB should be reorganized administratively. In 1934 Mr. Dimock made a study of the administrative machinery of the Inland Waterway Corp. for the War Department.

POSTAL PROSPERITY IMPROVES IN JULY

Business is better at the Indianapolis Postoffice.

Receipts last month were \$365,507.20. Postmaster Adolph Seidensticker announced. That was \$20,853.78 or 6 per cent more than during July last year.

The only classification in which revenue was below that of July, 1939, was excess on envelopes and wrappers, a decrease of a mere \$4.22.

Last month's revenues were: Stamp sales, \$208,845.83; permit mail without stamps, \$140,729.53; newspaper and periodical postage, \$13,368.36; box rents, \$2345.92; waste paper sales, \$168.11, and excess on envelopes and wrappers, \$49.43.
