

1941 Auto Models Stress Gadgets—for Comfort, Safety and Convenience

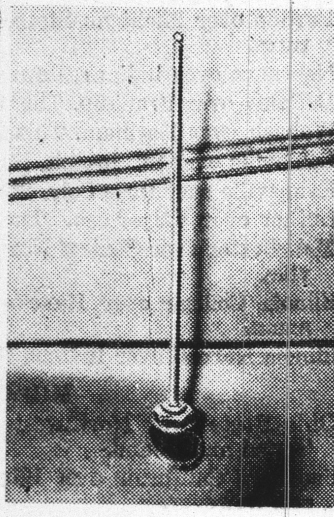

Automotive engineers have dressed up the 1941 models with a multitude of new devices to save time and labor and increase safety. For instance, Studebaker for 1941 has curved the rear bumper tips to protect fenders in tight traffic. Gravel guards protect the body.

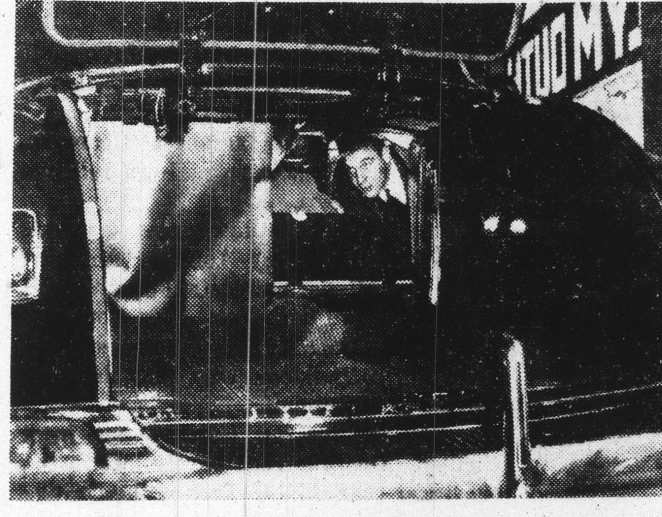

Many of the new Buicks have lights in the base of the driver's seat, which turn on when either front door is opened.

Nash has a conditioned-air system for winter driving. Tucked under the instrument panel, the new "weather eye" circulates throughout the car warm air which has been dehydrated and filtered free of dust and carbon monoxide.

Pontiac's radio aerial is hidden under the fender deck. Only the tip shows. When the driver touches a control, the aerial rises.

The spacious luggage compartment of the Plymouth can be entered either from the outside rear or from the car's interior. A counterweight on the compartment door holds it in position without the use of a supporting arm.

DRIVE PUSHED BY DEMOCRATS

County Candidates Schedule 15 Ward and Township Meetings in 10 Days.

Marion County Democratic candidates swung into active campaigning today by scheduling 15 ward and township meetings during the next 10 days.

Speakers at the nightly meetings include Sheriff Al Feeney, Prosecutor David M. Lewis and Walter C. Boetcher, County Treasurer, all seeking re-election.

State Democratic Chairman Fred F. Bays will lend a helping hand to the Marion County drive by speaking at several small neighborhood meetings. He will speak at the Franklin Township School House at New Bethel Friday night.

Schricker Lauds New Deal

Lieut. Gov. Henry F. Schricker, Democratic Governor candidate, in a speech at Winchester last night, pledged that if elected he would oppose any attempt to reduce the distribution of gasoline taxes to local units of government or any reduction in highway construction work.

He devoted most of his speech to praise of the New Deal.

Bobbitt Assails Democrats, Charges New Fraud Method

Displays Letter Purportedly From Road Aid Asking For \$3.50.

Arch N. Bobbitt, Republican state chairman, charged today that state Democratic leaders are "leaving no stone unturned to hike their slush fund."

"The Indiana attorney general's opinion that employees in the State Highway Commission's maintenance division are not subject to Hatch Act provisions, he said, has opened the way to a new 'racket technique'."

"With the bars let down by the attorney general's opinion," he asserted, "bosses and supervisors in the State Administration are shaking down employees after employee in the State Government to add to the huge campaign chest already piled up in the notorious 'Two Per Cent Club.'"

He accompanied this statement with a reproduction of a letter purportedly signed by a Highway Commission subdistrict superintendent asking an employee for a contribution of \$3.50.

A guard at the Indiana State Reformatory, he said, "had \$5 taken from his pay check and then was given a receipt for his 'voluntary contribution.'"

At the same time, Mr. Bobbitt added, the guard was handed a receipt for his \$2 monthly dues to the Two Per Cent Club.

The state chairman said an Anderson newspaper revealed recently that Reformatory employees have been "nicked 3 per cent of a year's salary for the county campaign fund and a half of 1 per cent of a year's salary for the fund in Fall Creek Township, Madison County. All this is in addition to their regular contribution through the McNutt-McHale-Elder Two Per Cent Club."

MAIL IS WAR CASUALTY

LONDON, Oct. 9 (U. P.).—The Postmaster General announced today that some letter and parcel mails posted in the United States for England during the fourth week of August had been "lost through enemy action."

Chief Speakers

DEMOCRATS

TODAY—Lieutenant Governor Henry F. Schricker at Bedford in the afternoon and Batesville at night; C. Anderson Ketchum at Galveston; Clarence Donovan at Bloomington; Mrs. Inez Scholl at Valparaiso in afternoon and Winamac at night; Mrs. Olive Belden Lewis at Lyons; Martin L. Miller at Frankfort; Alvin Johnson at Hartsville; Samuel D. Jackson at New Castle and Mrs. Hettie Dunkin at South Bend.

TOMORROW—Mr. Schricker at Rockport; Senator Sherman Minton at South Bend; Anthony J. Drexel Biddle at Michigan City at noon and night; Mrs. Biddle at Michigan City; afternoon; Mr. Ketchum at Cory; Mr. Donovan at Columbus; Mrs. Scholl at Kokomo; Attorney General Samuel D. Jackson at Bremen; Earl Crawford at Knightstown; Willard H. Parr Jr. at Round Grove Township; White County; Mrs. Olive Belden Lewis at Corydon; Thomas R. Hutson at Jassonville.

REPUBLICANS

Tucker at Radio Station WFBN, Indianapolis, at 9:15 p. m.; Charles M. Dawson at Milgrove; Mrs. Arthur M. Robinson at Kokomo; William E. Jenner at North Vernon.

TOMORROW—Mr. Hillis at Paoli in afternoon and Salem at night; Mr. Willis at Monticello in afternoon and Logansport at night; Mr. Tucker at Rockville; Dr. C. T. Malan at Indianapolis; Mr. Jenner at Winchester; Governor Harold Stassen of Minnesota at Ft. Wayne; Charles LaFollette at Lafayette; John D. Hughes at Francesville; Mrs. Ruby Bassett at Angola.

FOOD STAMP PLAN HURDLES DISCUSSED

Federal, State and Marion County township officials were to meet at the State House this afternoon to iron out the difficulties which have prevented inauguration of the Federal stamp plan of distributing surplus commodity foods here.

Among suggestions to be considered are those calling for issuance of bonds to pay relief obligations currently owed by the trustees and the use of the fall installment of taxes to purchase the stamps.

Ralph Hendley, assistant regional director of the stamp plan, is to be present at the meeting to aid local groups in working out a solution. The meeting was called by Edward P. Brennan, chief examiner of the State Board of Accounts.

SCHOOLS TERMED BASES FOR DEFENSE

"All programs for defending this country against the invasion of philosophies contrary to our way of living must rest upon a foundation laid now in education and training of our citizenship," Schools Superintendent DeWitt S. Morgan said today.

Speaking on "The Foundation of Defense" before the Lions Club at the Claypool Hotel, Mr. Morgan said this responsibility rests directly upon present school systems.

MISSIONARY TO SPEAK

The Rev. W. A. Ohman, Baptist missionary in the Sudan interior who now is doing deputation work in Indianapolis, tonight will address prayer services at the North Baptist Church. The Rev. Mr. Ohman is unable to return to his mission since it is now in the war zone.

G. O. P. SPEEDS UP CAMPAIGN

30 Meetings Tonight, With Some Speakers Talking at Dozen of Them.

By LOWELL B. NUSSBAUM

In the last four-week lap of the campaign, the Republican organization, both State and County, today began turning on more steam in an intensive drive for votes.

The County organization has scheduled 30 meetings for tonight, with the local candidates, working in teams, speaking at as many as a dozen meetings each.

More and more speakers are highlighted by a birthday dinner in honor of Charles M. Dawson, nominee for Lieutenant Governor, given by Washington Township Republicans at the Riviera Club.

Bobbitt Takes Part

Among the big shot party leaders taking part were State Chairman Arch N. Bobbitt, William R. Higgins, 12th District chairman; Mrs. Ina Stebbings, district vice chairman; Mrs. Eleanor Barker Snodgrass, state vice chairman; James L. Bradford, Marion County chairman; and Mrs. T. B. Wright, county vice chairman.

Mr. Dawson, present Washington Township trustee, took the platform to denounce the delay in establishing the Federal food stamp plan here and in other counties.

He said relief clients have been denied thousands of dollars worth of surplus commodities because of the "long delay of the Federal and State administrations in making it possible for Indiana townships to adopt the plan."

Cites Ft. Wayne

"Until this time," he said, "only one Indiana township has taken the initiative in adopting the food stamp system. That is the township which comprises the City of Ft. Wayne. Walter Hayes, Republican trustee of that township, disregarded the red tape and the opposition of the State administration in setting up that system."

In a brief talk, Mr. Bobbitt warned that President Roosevelt "is planning to take our country into war. The only way to avoid war, he added, is to elect Wendell L. Willkie as President. The Democrats, the chairman charged, have started a 'smear campaign' against Mr. Willkie."

Tonight's schedule in the county includes 13 meetings in the Sixth Ward and 12 in the 19th Ward. The Sixth Ward meetings will be at 1038 W. 35th St., 1414 W. 32d St., 1120 W. 30th St., 958 Congress Ave., 1020 W. 29th St., 943 Udel St., 971 W. 27th St., 773 Edgemont Ave., 2614 N. Harding St., 1352 Burdall Blvd., 2242 N. Harding St., 2027 Dexter Ave. and 1854 Sugar Grove.

Nineteenth Ward meetings are to be at 741 N. Tremont Ave., 519 Belle View Ave., 701 N. Concord Ave., 402 N. Haugh St., 3426 W. Michigan St., 3635 W. 10th St., 1105 Olin Ave., 3347 W. Ninth St., 1710 Rowland Ave., 1416 N. Sharon Ave., 1240 King Ave. and 1221 N. Sheffield Ave.

The Republican Wage Earners League of Marion County will meet at 8 p. m. in Republican headquarters, while the Warren Township Club will meet at Edmondson and 10th St. Other meetings are to be at 1821 Shelby St. and at McClain Hall, Hoyt and State Aves.

How To Relieve FEMALE FUNCTIONAL COMPLAINTS

Few women today do not have some sort of functional trouble. Many of them notice themselves getting restless, moody and nervous. They try famous Lydia E. Pinkham's Vegetable Compound to help quieten their nerves, relieve monthly pain (cramps, backache, headache) and weak, nervous, dizzy spells due to functional disorders. Pinkham's Compound has helped thousands of rundown, nervous women to go smiling thru "difficult times." Try it!

Hillis Recalls War Service In Address to I. U. Students

Glen R. Hillis, Republican nominee for Governor, recalled Indiana University's part in the World War in a talk before the I. U. faculty and student body at convocation today.

The nominee was a member of Battery F, recruited largely among I. U. students for service overseas. He returned after the war to complete his studies in the law school.

Reminding the students that they soon may have to enter the nation's armed services, he expressed the hope that "all of you get to be captains."

Discusses Text Costs

Last night at Greensburg, Mr. Hillis charged that school patrons are paying from 25 to 33 per cent more for the present textbooks than they paid for the ones replaced. Primary books costing \$1.12, he said, replaced books costing 58 cents, and two algebras in use 10 years were readopted at an additional cost of 7 cents a copy. He said readoptions will mean an extra cost of \$1,292,927 a year for the five-year period.

Mr. Hillis referred to the report of a Senate "school book racket" investigating committee which he said was "smothered" in the Senate. He quoted the report as saying:

Tucker on Same Program

"Your committee also received evidence tending to indicate some part is played by politics in book adoptions, or at least it has the appearance of doing so. . . . A son of another member of the board is employed by a company which prints textbooks. Still another company, which has received a number of adoptions from the State Board of

BARBER PRESIDENT NAMED A. F. L. AID

William C. Birthright, general president and general secretary of the Journeymen Barbers Union of America, 1141 N. Delaware St., has notified by William Green.

been notified of his appointment as 15th vice president of the American Federation of Labor.

Mr. Birthright, who was secretary of the Tennessee Federation of Labor for 15 years before coming to Indianapolis and his new job, was notified by William Green.

No, it wasn't SPEED we were after

THE mighty straight-eight that propels the 1941 Buick CENTURY, ROADMASTER and LIMITED, is, we believe, America's most powerful standard-production automobile engine.

That suggests immediately that here is the instrument of great speed—but the fact is it wasn't speed we were after when we built it.

We were shooting for more efficient use of the fuel you burn — more economy, more power, more pick-up—yes, even easier car handling through less frequent need for shifting.

Consider, for example, just one quality of this great power plant—the tremendous reserve of power it puts at your command.

At 20 miles an hour this Buick uses only 7.4% of its available power—at 30 only 9.7%—at 50, less than one-sixth, and so on.

You can see for yourself how this tremendous reserve, instantly available, eliminates much of your need for shifting to lower gears.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

BUICK PRICES BEGIN AT \$935

delivered at Flint, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.
