

ON THE RADIO

TONIGHT
6:30—Burns and Allen, WLW;
also at 9:30, WIRE.
8:30—Shirley Temple, WFBR.
9:30—Showboat, WIRE.
9:30—Blonde, WFBR.
11:00—Clyde McCoy, WLW.

Old-timer Shirley Temple, retired "veteran" of the films, lays aside her ear trumpet and dyspepsia tablets to make one of her rare appearances before the microphone tonight.

Shirley, who has now reached the ripe old age of 11, will be heard in "The Little Rebel," on the Radio Theater program, WFBR, for a full hour's dramatization of the Broadway and Hollywood success.

She plays the part of Virgie, daughter of a Confederate spy. In the supporting cast are Claude Rains, as her father, and Preston Foster in the role of the Northern officer who befriends her.

James Melton offers something approaching a musical dilemma on the Telephone Hour, 7:00 to 7:30 tonight, WIRE. He will sing two songs, one telling of love that is as deep as the sea and as firm as the everlasting hills. His second compares love to a feather in the wind. The selections: "Calm as the Night," Carl Bohm; and "La Donna e Mobile," from Rigoletto, Verdi.

In case you have trouble tuning in on those heart-tugging conversations between war refugee children in this country and their families still within range of enemy guns, you can blame our current national pastime—politics.

The two-way conversations are aired from 6:15 p. m. to 6:30 p. m. over the NBC-Red network, daily through Saturday.

WIRE is the local outlet but starting tomorrow this time has been engaged, alternately, by the Republicans and Democrats.

"Tonight 'Champions of 1941' will be in that spot. Sorry!

Charles Swift, announcer, and Robert Robbins, engineer, have been added to the staff of WIBC, Indianapolis.

Wendell Wilkie provides some more competition for the quiz wizards tomorrow when he will answer questions on vital issues put to him by voters all over the nation. WIRE will carry the Republican Presidential candidate's program from 9:30 to 10 p. m.

The Dobbs Truss Is Different!
BULBLESS—BELTLESS—STRAPLESS
No matter what truss you wear, you owe it to yourself to see the Wonder Dobbs Truss.

• It holds like a hand.
• It gives nature a hand.
• It only touches the body in two places.
• It can be put on in seconds.
• It can be worn while bathing.
• It holds muscles together.
• It is cool, sanitary.
• It is durable, lasting.
• It was patented by a sufferer.
• It's our biggest advertiser.
• It gives a sense of ease.
• It is guaranteed to hold any rupture.
• It is a modern truss.

Reason should teach you not to place a bulb or belt in opening of rupture, thus keeping the muscles spread apart.
Fitted by Factory Trained Fitter.
