

"Honey! Just Read This Wilking Ad

Do you think it's true that in only eight weeks I could learn to play the piano—Wilking's way I can—and even guarantee to teach me. Let's go to Wilking's today and select a new spinet piano for only \$195.00—after all, if I don't learn, it won't cost a penny."

The above sounds uncanny, but every word of it is true—**First-Name, First-Grade Pianos**
