

BUTLER'S PRESS FORUM TO OPEN

'Newspaper Responsibility' To Be Topic at Round Table Tonight.

Butler University tonight will open its unique experiment in Journalism education—the fortnightly round table discussion by educators, judges, professional and business executives and other civic leaders on "The Newspaper as an Institution."

Advanced students in Journalism at Butler and persons who have registered for the nine discussions will be the audience at tonight's first session. The topic tonight is "What Is the Newspaper's Responsibility to the Public?"

The discussion leader will be Norman E. Isaacs, managing editor of The Indianapolis Times, and those taking part in tonight's round table will be Judges Russell J. Ryan, Herbert E. Wilson and Henry O. Goett, Dr. Louis Segar, William H. Book, Easley R. Blackwood, W. A. Hacker, Fred Bates Johnson, W. Rowland Allen, Charles W. Jones, Richard M. Helms and several deans and department heads representing Butler.

In later discussions the group will be joined by Hilton U. Brown, Toner M. Overly, Virgil Martin, Luther L. Dickerson and other civic leaders. The round table will start at 7:30 p. m. in Jordan Hall and will be presided over by Charles M. Kinter, head of Butler's department of Journalism.

School News—

Cross-Country Pupils

Juanita, Bill Jr. and Capt. William F. Niedernhofer... a cross-country school record is within sight.

Juanita's Gone to 33 Schools, And Bill's Answered Bells of 30

By EARL HOFF

Juanita Niedernhofer has attended 33 schools in the short span of eight and a half years.

Her brother, William F. Niedernhofer, now commandant of Schoep Field, Ft. Harrison, says is not a record. He read once that a 15-year-old girl had attended 34 schools.

But Juanita is only 14. Bill is only 11. If their dad makes several more moves, they'll both crack the record. But, confidentially, all three like Indianapolis. Juanita is a freshman at Howe High School and Bill is in 6B at School 57. They hope to stay here.

JAPAN'S PAPERS WARN U. S. AGAIN

Tokyo Considers Invoking Belligerent Rights to End Chinese War.

TOKYO, Jan. 28 (U. P.)—Newspapers warned the United States with increasing forcefulness today against "challenging" Japan by opposing its program of domination in the Far East or by extending too much aid to Great Britain.

"Should the United States challenge Japan any further in complete disregard of the realities existing in East Asia and Japan's determination, America will have experience of what Japan's determination means," said Nichi Nichi.

"Simultaneously the great crime of throwing all humanity into the holocaust of war will be committed in the name of so-called 'justice and peace' by the United States. That is why the Japanese people want America to reconsider its attitude."

Yomiuri, asserting that thanks were due Foreign Minister Yosuke Matsuoka for making it plain that Japan intended to fulfill its obligations under its alliance with Germany and Italy, said:

"If the majority of Americans are supporting President Roosevelt's British aid bill in the mistaken belief that the United States enters the war then the consequences may well be grave."

Admiral Koshiro Oikawa, Navy Minister, said in Parliament today that the Government had been considering the invocation of belligerent rights in order to speed a settlement of the Chinese war.

'OOMPH' CALLED SCHOOL THREAT

Morgan's Committee Also Sees Danger in Films and Careers for Women.

WASHINGTON, Jan. 28.—"Oomph" for schoolgirls, exaggerated movie romances and too much emphasis on careers for women are threatening the American home.

After two years of study, that is the conclusion reached by a committee of four women and five men, including DeWitt S. Morgan, Indianapolis school superintendent.

Their findings will be reported to the American Association of School Administrators in a book, "Education for Family Life," at the association's meeting next month in Atlantic City, N. J.

Urge De-oomphing

The committee suggested substitution of education for girls in their responsibilities as wives and mothers for emphasis on "oomph," glamour and charm.

As to careers for women, the commission said: "Something in their elementary education might have helped them to be happy in homemaking instead of wondering how soon after the ceremony they can get their old jobs back."

Much false teaching may be traced to the movies, where "box office appeal outweighs any tendencies toward presentation of normal family life," the group said. The commission rapped the "tendency to feel that we must go outside the home for everything that is worthwhile."

Submit 5 Points

Five points were outlined to bring a closer co-operation between the home and the school.

1. Consideration of the child's personality in school instruction.

2. Consideration of the school and the home as partners.

3. Inclusion of the study of the home and its functions in the grade school program.

4. Emphasis in high school classes on the responsibility of children as members of a family.

5. Emphasis on adult education programs to assist families in solving home problems.

HERB 'SANITARIUM' DOWNSTATE CLOSED

SULLIVAN, Ind., Jan. 28 (U. P.)—Arthur Cox and two associates in a "sanitarium" near here for the treatment of diseases with herbs today are under a permanent injunction from practicing medicine without a license.

The associates were a son and daughter, Henry Cox and Nancy Cox Wright.

Sullivan Circuit Judge Martin L. Pigg yesterday ruled in favor of the State Board of Medical Registration and Examination, which sought to restrain Cox from illegal practice of medicine.

Former patients of Cox testified that he had given them relief from serious diseases. Cox said he had never studied medicine, but had learned the value of herbs from grandmother, a part Indian.

145 END NAVAL RADIO TRAINING AT ARMORY

The Indianapolis Naval Reserve radio school at the Naval Armory today graduates 145 radiomen, who will leave soon for assignments with the U. S. fleet.

Today's class brings to 202 the total number of Navy radiomen graduated from the school's four months course here.

Fifty new students enlisted in the school today, and 190 additional youths are scheduled to enroll Feb. 1. Destination or assignment of the graduated seamen is not disclosed.

778 ARE GIVEN WORK BY GOODWILL GROUP

A total of 778 needy persons was employed for a total of 98,832 hours last year by the Indianapolis Goodwill Industries, Inc., the charitable organization reported today.

During the year the organization took in \$43,952.61 and spent \$43,858.52. A total of 142,558 articles were sold in Goodwill stores. The organization's budget exceeded that of 1939 by more than \$5000. In that year only 522 persons were employed.

New and Different

Here's a new version of the East Indian rope trick, conjured up by three sahibs of the Real Estate Board's social committee. Instead of the swami disappearing, the rope vanishes. If Joseph J. (All Ben Ali) Argus can get it lit, Robert C. Walker, the Chief Sahib, will make it turn to dust. The Sahib on the right, Richard H. (Misty Mysto) Nachand, has the right idea. Half of his rope already has vanished.

CITY REALTORS ARE TO INSTALL

'Swamis and Sahibs' to Take Charge of Affair at I. A. C. Tomorrow.

New officers and directors of the Indianapolis Real Estate Board will be installed tomorrow night by a group of "swamis and sahibs" at the annual dinner-dance in the Indianapolis Athletic Club.

Officers to be inducted are Earl B. Teckemeyer, president; William A. Hackmeyer, vice president; Wendell M. Hicks, secretary, and Lorin Driscoll, treasurer.

Outgoing officers who will be presented gifts "both precious and rare" by Guy H. Williams, president; Raymond A. Franke, vice president; Albert F. Bromley, secretary, and Edward A. Hyde, treasurer.

Also to be installed are Joseph J. Schmid, sergeant-at-arms, Urban K. Wilde, executive secretary, and these directors: Robert P. Moorman, Louis S. Hensley and Mr. Bromley. Holdover directors are Ben F. Claypool, Walter M. Evans, Charles O. Grinslade, Russ H. Hartman, Forest B. Kellogg and Ford V. Woods.

REP. WILSON NAMED TO 3D COMMITTEE

WASHINGTON, Jan. 27.—Rep. Earl Wilson (R.-Ind.) has been added to a third House Committee.

Having been assigned to the Flood Control and the Buildings and Grounds committees previously, he now also will serve on the War Pension Committee.

Since this committee handles all claims against the War Department, it is especially significant for him, Rep. Wilson pointed out. The hundred-million-dollar Charleston powder plant is in the Ninth District which Rep. Wilson represents.

BROAD RIPPLE CHOIR TO SING AT BENEFIT

The Broad Ripple High School Choir, directed by C. Raymond Hall, will sing at a benefit party to be held Feb. 5 at the Broad Ripple American Legion Post Hall, College Ave. and 64th St.

The bridge party, sponsored by the school's Mothers' Committee, will be held to raise funds for new robes for the choir. Mrs. Lorena Cromley, 634 E. 60th St., is general chairman of the affair.

PLANS HEARING SOON

WASHINGTON, Jan. 28 (U. P.)—Rep. Knute Hill (D. Wash.), sponsor of a bill to create a Columbia River Authority comparable to the Tennessee Valley Authority, said today he planned to ask for hearings on the measure soon.

SEEK TO PLAN TOWNS' GROWTH

Problem to Be Discussed at Claypool Feb. 5; Civic Heads to Attend.

A one-day, state-wide civic convention will discuss "planned growth" of Indiana communities affected by increased industrial activity Feb. 5 at the Claypool Hotel.

State leaders and representatives of each county and local civic organization have been invited. Speakers will include Governor Schricker, Edward C. Elliott, Purdue University president, and Frederick A. Delano, uncle of the President and National Resources Planning Board chairman.

The convention is sponsored by the Indiana Civic Association, which wants "orderly progress and growth, but no Western mining town development out of the industrial boom."

The meeting is aimed at blocking present legislation designed to repeal the present county planning law.

Among the factors contributing to the need for rapid, modern planning, according to association leaders, are accelerated industrial expansion, national defense spending, changing population trends, decentralization of cities, soil erosion and the displacement of the countryside.

EX-CHIEF OF POLICE OF SOUTH BEND DIES

SOUTH BEND, Ind., Jan. 28 (U. P.)—Laurence J. Lane, 59, former South Bend chief of police, died of a heart disease in St. Joseph's hospital last night.

Mr. Lane started with the police department in 1910 and served as chief from 1922 through 1925 and from 1935 through 1938. He also served eight years as chief of the Studebaker Corp. plant police.

WAKE UP YOUR LIVER BILE—

Without Colman's—And You'll Jump Out of Bed in the Morning 'Radio' to Go

The liver should pour 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sink and the world looks pink.

It takes good, old, Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you "wake up and up." Get a package today. Take as directed. Amazing in making bile flow freely. Ask for Carter's Little Liver Pills. 10c and 25c.

It's Cheaper to Let Lux Laundry Do Your Washing

Home laundering—soap, electricity, water, gas, depreciation, etc.—is expensive. You'll find it cheaper to let Lux do it.

FOR EXAMPLE: 10 pounds of wet wash returned to you in perfect condition ready to iron costs only 59 cents—Monday through Saturday. (Each additional pound 4 1/2 cents).

For just 12 cents more (for the same 10 pounds) we'll iron all the flat pieces beautifully in our Wet Wash Flat Iron service.

You'll like the Lux Aristocrat laundry and dry cleaning better!
