

AIR RAIDS TOPIC AT BROOKSIDE

William Hoelke, Named Warden, to Address Civic League.

What to do in case of an air raid will be discussed tonight at a meeting of the Brookside Civic League.

William Hoelke, recently appointed air raid warden of the Brookside Park area, will address the meeting in the clubhouse on the needs of the community in preparing for air raids. Volunteer workers will be enlisted.

Mrs. H. E. Arnholter, chairman of the Women's Division, Indiana Defense Commission, will explain how Brookside residents can co-operate with the defense commission.

The discussion on air raids and defense will follow the regular business meeting and installation of civic league officers. New officers are:

Carl T. Payne, president; Ray Van Tassel, first vice president; Charles Blume, second vice president; Mrs. D. E. Murphy, third vice president; Don D. Lleske, secretary; J. Huber Patton, treasurer.

Members of the board of directors are James Cross, chairman; Don D. Lleske, William M. Calvin, Henry G. Blume, Ray Van Tassel and Mrs. R. E. Jacobs.

BAR TO HONOR SPARKS

The Indianapolis Bar Association will hold a memorial meeting in honor of Attorney William G. Sparks, who died recently, at 11 a. m. tomorrow in the Federal Court room.

What A Cough!

And how it hurts, and nags And disturbs your sleep.

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back.

18 COLLEGE SENIORS INDUCTED BY NAVY

Eighteen Indiana college seniors were inducted into the Navy here Saturday. The youths will finish their school work and then begin a 90-day officers' training course at one of the Navy's three schools. They were:

Keith Roose, Indiana University; John Morrison, Notre Dame; Charles Wilson, Indiana; Jack Behringer, DePauw; William Schilges, Cornell; William Riker, DePauw; James W. Johnson, Purdue; John S. Whitfield, Indiana; William Mortimer, Butler; R. A. Stark, and Robert Glass, DePauw, all of Indianapolis.

Ted Johnson of Lynn, Hanover College; Ed Bell of Winchester, Indiana; Robert W. Bunner, of Ft. Wayne; Purdue; Alvin E. Hancock of Hardinsburg, Indiana Law School; David C. Fisher, of Anderson, Wabash; Robert M. Hoffman of Ft. Wayne, Indiana.

The ceremonies were held between halves of the Butler University-Great Lakes Naval Training School basketball game at Butler Fieldhouse.

FINAL HEARING ON HOUSING SCHEDULED

The Governor's Housing Commission will hold its final public hearing on Indianapolis housing conditions at 7:30 p. m. tomorrow at the House of Representatives chamber in the State House.

The public is invited to attend the hearing which winds up a series of public sessions in which the commission has heard evidence of the City's housing needs.

C. C. Livingstone, committee chairman, said a report of the group's findings will be submitted to Governor Schriener in about three weeks. The commission was named by the Governor early last fall after citizens petitioned for an investigation of Indianapolis housing facilities.

HOUSE PROBES EMPIRE YARDS

Starts Study at Savannah After Cancellation of Ship Contracts.

By THOMAS L. STOKES Times Special Writer

WASHINGTON, Jan. 5.—Further congressional inquiry is planned into the affairs of Savannah Shipyards, Inc., of Savannah, Ga., which has been taken over by the Maritime Commission after cancellation of its contract to build a dozen Liberty ships because of failure to meet financial and facility requirements.

This company and Empire Ordnance, Inc., of New York, of which it is an affiliate, heeled themselves for defense and British business by hiring four ex-New Deal officials—Tommy, Corcoran, Charles West, William J. Dempsey and William C. Kopolovitz.

Rep. S. O. Bland (D. Va.), chairman of the House Merchant Marine Committee, said today he had begun an investigation of the Savannah shipyard contract, as part of a general inquiry into shipbuilding contracts by his committee.

Protect British Contracts

Meanwhile, the War Department and the British purchasing commission are taking precautions to protect British ordnance contracts with Empire Ordnance.

A trusteeship is to be set up for one of the plants manufacturing tanks at North Philadelphia, comprising one representative of the British, one of the company, and a third to be selected by these two.

Empire Ordnance, which has no American contracts, but has been negotiating for some time to secure American contracts, has been advised that it will first have to show more evidence of good management.

Deliveries on British contracts are reported behind schedule in some cases.

Rep. Bland said he had assigned two investigators to look into shipbuilding contracts and had requested the Truman defense committee of the Senate to make available to them the record of its three-day hearings in which the financial structure of Empire Ordnance, the Savannah Shipyards contract, and the employment of Messrs. West, Corcoran, Dempsey and Kopolovitz were explored.

SPORTSMEN'S SHOW SETS MARCH DATES

The fifth annual Indiana Sportsmen's and Boat Show will be held in the Manufacturers' Building at the Fair Grounds March 21-29.

Headquarters for the show have been established at the Claypool Hotel. Requests for advance tickets should be sent there in care of William H. Pfau.

Three shows a day will be held and seating capacity has been increased. Several of last year's performances, including Maggie, the chimpanzee, six trained performing deer, the familiar northwoods guides and others will be returned.

Other acts include a new diving duck retrieving act, a family of Texas sharpshooters and Cedric White's dupe ranch and trick horse, Rex, from Knox, Ind. Performances will be held during the week at 3, 7:15 and 9:30 p. m. and on Sunday, March 22, at 2, 5 and 8:30 p. m.

METSKER GETS JOB IN FEDERAL AGENCY

Thomas Metsker, supervisor of Welfare Department fieldmen in Southern Indiana, has resigned to accept a position with the Indiana Agency of the Federal Works Reserve.

In his new position, Mr. Metsker will have charge of preparing work projects in the health, welfare and recreation fields for development during the post-war period. Thurman A. Gottschalk, Welfare administrator, said he had not filled Mr. Metsker's place.

COUNTY COUNCIL TO FILL VACANCY

The County Council membership, riddled by resignations of members to accept political positions, will meet again in the next few days to fill another vacancy.

The Council last Saturday appointed William M. Grady of Ravenswood to fill the vacancy left by the resignation of George E. Kincaid who accepted appointment to the Marion County Liquor Board.

Another vacancy was created by the resignation of William N. Harding, former president, who has been named Marion County Building Commissioner. No candidates have been mentioned for this vacancy on the Council but members said they would select an appointee in a few days.

POSTPONE BUILDING EPISCOPAL CHURCH

Plans for the construction of the new \$225,000 St. Paul's Episcopal Church at 61st and Meridian Sts. have been abandoned for the duration of the war at the request of the Government.

The Rev. William Burrows, rector, informed members of the parish yesterday of the request. He said that plans were completed to break ground for the structure this

month, but due to priorities, it was deemed advisable to postpone the project.

Members of the vestry and the rector said that they thought every effort should be concentrated to win the war and feared the possibility that should construction go ahead, it might have to be stopped due to lack of materials.

The present church, located at New York and Illinois Sts., is one of the older churches in the City. It was decided to build the new structure at the North Side location because most of the parishioners live north of 38th St.

PADLOCK ASKED ON S. SIDE PLACE

Action Against Madison Ave. Tavern Follows Raid Early Sunday.

"Padlocking" proceedings were started by Sheriff Feeney today against the Madison Drive-In, 3347 Madison Ave., which he described as a "constant source of trouble in the community."

The Sheriff's deputies, assisted by State Excise officers, raided the establishment early yesterday and arrested six of the more than 100 persons found there.

Those held were the alleged proprietor, Jack Rogan, 836 S. Meridian St., and another man whose name was not revealed because he was "about to go in the Army," both charged with violating the 1935 Beverage Act; two 18-year-old waitresses, charged with vagrancy, and two customers charged with drunkenness.

Blamed for Delinquency

They will appear before Magistrate Ira M. Holmes Thursday night in Beech Grove.

Sheriff Feeney said that "many cases of juvenile delinquency" had been traced to the establishment. He charged it had been a source of trouble under "the present and three previous proprietors."

Recently, the Sheriff said, he had asked Rogan to come into his office and "have a talk" after a warning to several county establishments was not heeded. Rogan replied he wouldn't come in unless his lawyer came with him, according to the Sheriff.

Then a State Excise officer made a liquor "buy" at the establishment and yesterday's raid followed.

Several bottles partly filled, with liquor were found in a car parked across the street from the establishment and other bottles were found inside, according to deputies.

Cancel Destroyer Stop at Evansville

Times Special

WASHINGTON, Jan. 5.—Plans for having one of the new destroyers stop over at Evansville en route to the sea have been canceled, the Navy today informed Rep. John W. Boehne Jr.

Two months ago the Navy announced that one of these ships, now being completed in Pittsburgh yards, would stop on its trip down the Ohio River to the Gulf to permit inspection by the public at Evansville.

"The war has canceled all such plans," Rep. Boehne said. "And since speed is the thing needed, I couldn't very well protest against anything the Navy suggests."

REGISTRATION SET IN DEFENSE STUDY

Registration will begin tonight for the second quarter defense training courses offered in Indianapolis by Purdue University and Rose Polytechnic Institute.

Both men and women will begin registering at 7 o'clock at Tech High School and continue each night through Thursday. Instructors will advise applicants on selection of courses.

Purdue will offer classes in engineering mathematics, engineering physics and chemistry, tool and metal inspection, and courses in design. Rose Poly will offer elementary and advanced engineering, drawing, machine design drawing, and tool design drawing.

The schools are sponsoring the courses in anticipation of a need for skilled labor under the 7-day war production week. The classes are free excepting text book costs.

RAF USES KITTYHAWKS

CAIRO, Jan. 5 (U. P.).—The Royal Air Force announced today that American-made Kittyhawk planes went into action in the Near East for the first time New Year's Day with Australian pilots. During their first day they destroyed five enemy aircraft, it was announced.

LEGAL AID GIVEN ON SERVICE ACT

Bar Association Unit Helps Drafted Men's Families Unable to Pay.

The Indiana State Bar Association, operated by the Indiana State Bar Association, offers legal aid to those families of drafted men who are unable to pay for such services, according to a statement released by the association's national defense committee.

This service is part of a state-wide service offered to those affected by the Selective Service Act who need legal advice and are unable to pay for it. Outside Indianapolis, the bar association works through local draft boards, its ultimate aim being to have a representative connected with each board.

Annual Meeting in March

At a conference in the Claypool Hotel Saturday, Jeremiah L. Cadick, national defense committee chairman, reported that the association already has acted on 188 cases involving men in the services or their families. The committee works in co-operation with selective service boards, providing legal advisers.

The state association's annual meeting will be held March 14.

Caughran New President

B. Howard Caughran, United States District Attorney, will be in stalled Wednesday night as new president of the Indianapolis Bar Association. Those who will take office with him are: Milton W. Mangus, first vice president; Theodore Locke, second vice president; John K. Rickles, secretary; and Davis Harrison, treasurer. Mr. Caughran succeeds Judge Fred C. Gause.

Others to take office are Irving Fauvre and Fred E. Shick, executive committee members, and the admission committee—Kelo Elliott, Floyd Mannon, Charles Wells and Howard Young Jr.
