

TAX APPLIES TO ARMY OFFICERS

Payment, However, Can Be Deferred Until 1945, State Says.

Hoosier Army officers must pay State gross income tax on their salaries just like any civilian resident of the State, Gross Income Tax officials said today.

They pointed out that the State law, which has been upheld by the U. S. Supreme Court, provides that anyone who is a legal resident of Indiana must pay the State 1 percent on all income over \$1000 a year regardless of how or where the income is earned.

Payment of the tax, however, may be deferred until May 15, 1945, under the Soldiers and Sailors Civil Relief Act of 1940, Gilbert K. Hewitt, Gross Income Department director, said.

But since the relief act expires on that date, commissioned officers in the armed forces must pay cash "on the line" after that date for all accumulated gross tax, he added.

The Gross Income Tax Department also warned Hoosiers not to pay their taxes to "agents." No "agents" have been designated to collect the gross tax and each individual should send the amount of his tax into the department by money order, officials said.

Mother, This Home-Mixed Cough Relief Is Wonderful

Saves Real Money.
No Cooking. Quick Results.
To get the most surprising relief from coughs due to colds, you can easily prepare a medicine, right in your own kitchen. It's very easy—a child could do it—needs no cooking, and tastes so good that children take it willingly. But you'll say it beats them all for quick results.

First, make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. Then get 2 1/2 ounces of Pinex from any drugstore, and pour it into a pint bottle. Then add your syrup.

This gives you a full pint of really splendid cough syrup—about four times as much for your money. It never spoils, and lasts a family all long time.

And for real, quick relief, it can't be beaten. It acts in three ways—loosens the phlegm, soothes the irritated membranes, and helps clear the air passages.

Pinex is a special compound of proven ingredients, in concentrated form, well known for prompt action in coughs and bronchial irritations. Money refunded if it doesn't please you in every way.

ON THE RADIO TONIGHT

TONIGHT

7:00—Quiz Kids, WISH.
8:00—Chamber Music Society, WISH.
8:30—Louis-Baer Preview, WIBC.
9:15—Great Moments in Music, WFBM.

A new weekly series of programs which will present highlights from the world's greatest operas, makes its debut on the Columbia Broadcasting System and WFBM tonight at 9:15 o'clock.

Entitled "Great Moments in Music," the half-hour program will feature Jean Tennyson, internationally famed soprano; Jan Pearce, Metropolitan Opera tenor; Robert Weede, "Met" baritone, and Suzanne Sten, mezzo-soprano of the "Met."

George Sebastian will conduct the program and outstanding singers, chosen for their ability to characterize certain roles, will make occasional guest appearances.

The program will choose a different opera each week and will offer the main arias, concerted numbers and orchestral excerpts from each score. A narrator will tell the plot of each opera in order to give the listeners a better background of the work as a whole.

Rise Stevens, youthful contralto who once declined a bid to sing with the Metropolitan Opera Co. and then accepted a later offer, will be the guest of Eddie Cantor tonight at 8 o'clock on WIRE.

Miss Stevens will be greeted by Dinah Shore, a young woman whose renditions of popular ballads have placed her among the leaders of present day singers.

Edgar (Cookie) Fairchild and his orchestra will accompany both Miss Stevens and Dinah Shore in their songs.

Rotund Andy Devine, whose voice sounds like "fingernails scratching a schoolboy's slate," drops in on Fred Allen and his gang tonight on WFBM at 8 o'clock.

The amiable movie star will be heard in a wild and woolly Western drama with Fred and his theatrical group. Talented college guest for the evening will be Leon Rabinowitz of Penn State, who is known about the campus for his clever mimicry of various entertainers.

A special preview of the Joe Louis-Buddy Baer heavyweight title bout will be broadcast tonight on WIBC and the Mutual network with Walter Winchell, who happens to be a lieutenant-commander in the Navy, as master of ceremonies.

Scheduled for 8:30 o'clock, the program will include pickups from the East and West coasts. Joe Louis will speak from his training camp at Greenwood Lakes, N. Y. and Don Dunphy, MBS fight announcer, will read a message from Buddy Baer. Dave Rose's orchestra will supply music from Los Angeles.

A highlight of the program will be an original dramatization by Bill Davidson, dealing with the formation of the U. S. Navy during Revolutionary days. Actors and actresses of the movie capital will participate.
